An End To The Curse Of Wearing Worthless Trusses

No More Rupture Troubles 60 Days Trial To Prove It

You Don't Have to Risk a Penny. Here is something absolutely guaranteed to keep your rupture from coming out. And you can try it sixty days—make a thorough prove-it-to-you test—without having to risk a penny. If it doesn't hold—if it doesn't keep your rupture from bothering you in any way—then it won't cost you a single cent. The Only Thing Good Enough to Stand Such a Test.

You know as well as we that you can't tell anything about a truss or anything else for rupture merely by trying it on. That's the worst of getting a drug-store or local truss fitter's.

A truss or so-called "appliance" may seem alright when you first put it on, and afterwards prove utterly worthless.

The only way in the world you can make sure of exactly what you're getting is by a 60 day's trial—a thorough day-after-day test.

And our guaranteed rupture holder—the famous Clutha—is the only thing of any kind whatever for rupture that you can get on sixty days trial, the only thing good enough to stand such a long and thorough test.

Something Nothing Else Does. The Clutha is so utterly different from anything else for rupture that it has received eighteen separate patents. It provides the only way ever discovered for overcoming the weakness which is the real cause of rupture.

Just how it does that—entirely automatically—is all explained in the free book.

Will Save You From Operation. The Clutha has so thoroughly proven its merits that physicians in all parts of the world and surgeons in the U. S. Army and Navy now recommend it instead of advising operation. It has brought complete recovery in hundreds of cases after operation has proved a failure.

No Belt or Leg Straps to Annoy You. That's why people who have tried it say it is as comfortable as their clothing. It is water-proof—will hold in the heaviest rain—keeps clean.

Get World's Greatest Rupture Book. Don't send any money—just write for our free book and find out everything you want to know.

Full of facts never before put in print. Cloth bound—66 pages—30 separate articles and 23 photographic illustrations. Will save you from being fooled and save you from wasting money.

Explains why elastic and spring trusses are a wicked crime—why they are the rupture man's worst enemy—why the law should stop their sale.

Exposes the humbug "appliances," "methods," "plasters," etc.

Shows why operation is often a needless gamble with death, and why, if a man manages to get well from the operation, he often has to keep on wearing a truss.

And it tells all about the Clutha and how little it costs if you keep it.

Gives endorsements of over 5,000 people. Better write for the book today—it tells things you could never find out by going to doctors or drug stores. Simply use the coupon or pay in a letter or postal "Send me the book."

WHY HE WAS NOT HERE.

Hector McInnis did not accompany certain members of his boxing string to St. John, where they performed Monday. Some joker circulated a story that Hector dodged the provincial trip because he feared he might be drafted for service in the cause of the Allies. "It can't be done," said Hector. "Guess the boys forgot that I can for the House in Ward 14 one year. If I had run a little faster or started a little sooner I would have won, by Heck!"—Boston Globe.

RUNNING NOSE COLDS CURED; SNEEZING STOPPED INSTANTLY.

ENGLAND DECLARES NEW BLOCKADE MEASURES DRAWING CORDON TIGHTER AROUND ENEMY

Under New Order-in-Council, Issued Saturday by King George, All Ships Carrying Contraband Must Prove Their Destination is Not an Enemy Port.

London, July 8.—King George today issued a royal order-in-council, withdrawing all previous orders-in-council under the Declaration of London and announcing new principles under which the blockade of Germany will be conducted.

The new order-in-council stipulates that the hostile destination of any ship carrying contraband is now presumed until the contrary is shown. This stipulation permits British warships to hold up suspected neutral ships, which must then offer proof that their cargo is not ultimately destined for enemy countries to avoid seizure.

The principles of continuous voyage and ultimate destination will apply to contraband in ships passing the blockade. Any vessel is liable to capture and condemnation by a prize court if its cargo is more than half contraband.

Any ship carrying contraband, but which evades capture by showing papers indicating a neutral destination and then proceeds to an enemy port, will be liable to capture on her next voyage in the prescribed area.

Injury and shock that she was rendered unconscious, and died two days later without rallying. The idol of her father's heart, as well as his housekeeper and only companion, his sorrow is unexpressed. Being a beautiful singer and clever musician, and always ready to help in every good work, she became closely identified with the church's work and entire social life of the community, and everywhere are heard expressions of regret and sorrow that she should be so early called away. After a brief service at Penobscot, conducted by Revs. C. D. McKenzie and C. J. Steves, the body was taken to Fredericton and interred in the cemetery at Royal Road, the birthplace of her father where a very largely attended memorial was held, led by Rev. Dr. Kierstead, assisted by Revs. J. B. Daggett and H. H. Ferguson.

Lewis Vincent Hogan.

The death occurred at his parents' residence, East St. John, on Saturday, of Lewis Vincent, eldest son of William and Edith Hogan, aged twelve years. He had been in an invalid for the last four years. Four years ago he was run over by an automobile at the corner of Brussels and Union streets and never recovered from the effects of the accident. While an invalid he was always bright and cheery and will be much missed both in his home and by the friends of the family. Besides his parents he is survived by two brothers and two sisters. The funeral will be held this (Monday) afternoon at 2.30 to St. Joseph's church, Silver Falls.

Jennie H. Currie.

Penobscot, July 7.—The home of Rev. A. W. Currie has been saddened beyond measure by the sudden and tragic death of his beautiful and accomplished daughter, Jennie H., aged seventeen, who passed away on the 25th ult., the result of injuries received in a railway accident on the evening of the 27th. She, with a number of her young friends, had gone to the station to watch the departure of the 10.4th Battalion for overseas, and so say farewell to her cousin and another friend going with that unit, and in some way was struck by an incoming train with such force that she was thrown to the ground, receiving such

REV. H. WATERTON TAKE BRIDE AT DOAKETOWN

Rector of Kingston Church Weds Miss Zaida M. Hinton.

Doaktown, July 8.—One of the prettiest weddings of the season took place in St. Andrew's Episcopal church, Doaktown, on Wednesday evening, July 8th, at 7.30, when Miss Zaida Mabel, eldest daughter of Mr. and Mrs. George Hinton, was united in marriage with Rev. Henry Waterton, now rector of Kingston, N. B., but until a few months ago rector of this district.

The church was handsomely decorated for the happy event with green, roses, daisies and potted plants. The bridal party stood under an arch and large bell of daisies. The party entered the church to the strains of Mendelssohn's wedding march, played by the bride's cousin, Miss Rena Russell. The bride came in on the arm of her father, preceded by the bridesmaid and the little flower girl, Daisy Larson. The bride was handsomely gowned in broad and plain Duchesse satin with trimmings of embroidered silk net, crystal and pearl fringe, also ornaments, and wore an embroidered veil, arranged in Juliet style and caught up with orange blossoms. She carried a beautiful shower bouquet of bridal roses and maiden hair fern. She was attended by her sister, Miss Florence Hinton, who was dressed in rose crepe de chine with satin and lace trimmings and carried a bouquet of pink roses. The groom was supported by Rev. Alban Bate, curate of the Cathedral, Fredericton.

The ceremony was performed by Venerable Archdeacon Forsythe of Chatham, N. B.

The church was packed to the doors long before the ceremony began, and many could not gain an entrance at all. Robt. Russell and Earl Swim were ushers.

After the reception at the home of the bride's parents, the happy couple left on the east bound express for a honeymoon in St. John, Boston, etc.

The out-of-town guests were Richard Hinton, Bathurst, grandfather of the bride; Mrs. David Miller, Moose Jaw, Sask.; Mrs. Fred Baston, Bathurst; Mrs. Wm. Scott, Newcastle; Miss Whitehead, Chatham, and Mrs. Thos. Cowie, Hillsfield.

The bride received many gifts of silver, cut glass, linen, china, etc. That from the groom was a handsome chain and cross set with jewels.

The bride was very popular and will be greatly missed in church and Sabbath school as well as social circles.

She received many testimonials of esteem on the eve of her marriage. One was an address and handsome gift of silver from the W. A. of St. James' church, Lunenburg; another an address and purse from the church of St. John

and the Evangelist at Carroll's Crossing; an address and purse from St. Thomas' Presbyterian church, Doaktown, and an address and handsome chair from the W. A. and congregation of St. Andrew's church, Doaktown, of which the groom had charge for the years 1913, 1914 and 1915.
