BRUCE McALPINE

A few years ago Watford had
hand engines and tanks on corners
to supply water when fire was threat-
ened. Today the town has what is
declared to be one of the finest water
systems in Western Ontario. Deep
wells, standpipes, mains through all
sections of the town and special
power for fire pressure are now pro-
vided. The water is of fine quality
and is available in abundance.

The provincial board of health has
been appealed to by several farmers
along Hickory creek, near Forest, who
report that they are suffering loss by
pollution of the water, which they al-
lege is caused by the overflow from
the Forest plant of the Canadian Can-
ners. It is stated that cattle are sick-
ened and milk rendered unfit for use
while hundreds of dead fish are rot-
ting on the banks of the creek, creat-
ing a nuisance.

Corns cripple the feet and make
walking a torture, yet sure relief
in the shape of Holloway's Corn Re-
mover is within reach of all.

WHY WILL YE DIE?—As I live,
saith the Lord God, I have no pleas-
ure in the death of the wicked. Turn
ye, turn ye from your evil ways; for
why will ye die, O house of Israel?—
Ezekiel 33: 11.

In Memoriam

WATFORTH.—In loving
memory of Daniel M. Watfworth, who
departed this life two years ago

Surrounded by friends we are lone-

In the midst of our joys we are
blue;

With a smile on our face we've a
heartache.

Longing, dear brother, for you.

gust 9th of this year. Mr. Swift went

ter coming out from Ireland.

The Beansville Express says:—
James Virtue, of the Brantford Roof-
ing Co., called on the editor for a
friendly chat on Thursday. It is
over 25 years since the twain played
in the 26th Battalion Band at Glen-
coe, and they have not met since un-
til last week.

Miss Margaret Brown, teacher of
the Pratt's Siding school, was brides-
maid at the marriage of her cousin,
Herman L. Coleman, of Bothwell, to
Miss Marie Catherine Dudley, of In-
wood, on August 18th. The mari-
age was solemnized in St. Matthew's
church, Alvinston, by Rev. Father
Kelly, of London. After the cere-

The ear worm, sometimes mistaken
from the European corn borer, but
and not the stalks of corn, has made
its appearance in some parts of Mid-
dsex according to report's reaching
the Department of Agriculture. The

the stalks of potatoes and reduces
productivity, is also reported as very
troublesome.

While motoring to London on Sun-
day night a party of Glencoe men
ran into the ditch a short distance
east of Melbourne, completely wreck-
ing their machine, an Overland tour-
ing car, owned and driven by Arthur
Davenport. Accompanying the driver
were Harold Loosmore, Dan Hag-
erty and D. A. Weaver. All escaped
serious injury, which is considered
miraculous by those who saw the
wreckage.

played on Saturday evening, when
Miss Thomson and Mr. Knox chal-
lenged Miss Precious and Mr. Grant,
the latter two winning.

Thursday, when Duncan Campbell
passed away in his 91st year. Mr.
Campbell was a native of Scotland,

but a few days, having attended the

McEachran family reunion at New

Members of the Glencoe Tennis
Club motored to Chatham on Wed-

Revised regulations make the fol-
lowing subjects compulsory on all
school pupils in Ontario: Arithmetic,
reading, writing, history, composition,
geography and spelling. Nothing is
said as to whether these are to be
taught "to the tune of the hickory
stick." Optional subjects will be mus-
ic, agriculture, nature study, domestic
science and manual training. To
teach the latter subjects there may
be a larger school unit, such as one
in a township.

On Friday night when Mr. Matt-
land, a farmer living near Sarnia on
the plank road, went to bed he had
several calves all shut securely in a
pen, but when he arose Saturday morn-
ing, he found one calf missing, al-
though the head, hoofs and hide were
in the pen. Thieves, expert butchers
in reality, had killed the calf, dress-
ed the veal and performed all the an-
cient rites of the slaughter house ex-
pert. They wanted the veal and they
took it with them, but they left Mr.
Mattland the by-products.

laurier" for England on July 8th

Railway. While in England, Mr.

Excellent reports as to the hunt-
ing in the Caribou district of Brit-
ish Columbia are being received.
F. W. Pridham and Fred Shaver re-
turned from a month's sport in that
district with an excellent specimen of
grizzly bear weighing about 1,400 pounds.
They saw moose, caribou, deer, black bear,
pheasants and grouse, and consider
the district a hunter's paradise.

Addressing the annual meeting
of the Bond Dealers' Association of
Canada at Toronto recently, the
President declared that during the
12 months ending May 1st, \$507,-
917,000 worth of Canadian bonds
had been distributed, this being by
far the largest total issued in the
Dominion in any post-war year.
The most striking feature in this
connection is that about 89 per cent.
was absorbed within the borders of
Canada.

On June 18th Winnipeg, Man.,
celebrated the fiftieth anniversary
of its incorporation. From a strug-
gling frontier village of the 70s,
Winnipeg has forged into the po-
sition of third largest city in the
Dominion, with continental repute
as a railroad centre. It is the Gate-
way of the West and 100,000,000
bushels of prairie grain pass
through it to the head of the lakes,
whence it goes to the markets of
the world.

Twenty-five officers and 200 men
of the Royal Navy, from the special
service squadron headed by H.M.S.
Hood, enjoyed a trip through the
Rockies over the Canadian Pacific
lines while their ships were an-
chored at Vancouver recently. The
sailors, who made a point, in true
naval style, of seeing and doing
everything, were enthusiastic over
the scenery at such show-places as
Banff and Lake Louise, which they
declared the most beautiful they
had seen in all their world cruise.

POLICE COURT

George B. Marshman, of the town-
ship of Caradoc, appeared before Po-
lice Magistrate Morrison on Tuesday
afternoon charged under section 295
of the Criminal Code with assaulting
John O'Brien, a neighbor, causing
actual bodily harm. Crown Attorney
Judd, of London, prosecuted, while
W. D. Moss, of Glencoe, acted for the
defence.

O'Brien, a man 69 years of age,
swore that Marshman, a much young-
er man, on the afternoon of the 12th
of August jumped over the fence
where he happened to be on his son's
place and without any provocation
placed and held him over the head,
severely beat him over the head,
body and legs with a fence stake
and after knocking him down jump-
ed on him with both feet and struck
him repeatedly in the face with his
fists and threatened to kill him. The
fence stake was produced in court
and consisted of an ordinary rail
about three or four inches through-
out and about seven feet long, which
O'Brien swore Marshman wielded with
both hands.

O'Brien's sons found him shortly
after and assisted him to the house
and immediately sent for a physi-
cian. Dr. Dewar, of Melbourne, the
physician called to attend O'Brien,
said he found him lying on a couch
in an injured condition from a
bruised right arm, right thigh, jaw-
bone and cheek bone, cut on the up-
per lip, loosening of the upper teeth,
considerable discoloration about the
eyes and blood oozing from his nose
and the wound on his cheek. The
bruises the doctor described as very
severe.

Only two witnesses testified, Dr.
Dewar and O'Brien, the defence call-
ing no witnesses.

Marshman, being asked to elect
trial, elected to be tried by a jury.

The magistrate then held a prelimi-
nary hearing and at the conclusion
of the evidence committed Marsh-
man for trial at the next superior
court of criminal jurisdiction.

Marshman was allowed his free-
dom on furnishing bail in two sure-
ties of \$1,000 each to appear for trial.

RUCKLE AND SWITZER REUNION

April, Aug. 27.—The many friends
of the Ruckle and Switzer clans met
at Springbank Park, London, on
Thursday, and spent a very enjoy-
able time, the day being perfect. The
friends, numbering around a hundred,
were gathered from various parts of
Ontario and Michigan. In the ab-
sence of the president, Rev. John
Holmes, of London, acted as chair-
man. After the election of officers for
the coming year, Mr. Holmes in
his pleasing manner recited some
experiences and events relative to
the different clans, special mention
being made of the "Queen Bee," Mrs.
Catherine Switzer, who in spite of
her advanced age of 90 years was en-
joying the gathering to the limit and
was presented with a beautiful bou-
quet of dahlias. The afternoon was
spent in a softball game and other
sports. Fred Ruckle, of Thames-
ville, and Harry Ruckle, of Ingersoll,
were captains in the ball game, the
former's team winning.

MELBOURNE

The union Sunday School picnic
held at Springbank park last Wed-

splendid success. Nearly every fam-
ily of the community was represent-

ever had and that Springbank was
an ideal place to hold it. The sports
and finance committees deserve great
credit for the splendid success of the
outing.
