INCORPORATION

Dawson will soon be an incorporated MISS B. A. MULROONEY city. There is no more doubt of it than glaring public evils to be wiped out by local self government that it almost goeswithout saying the community is unani-

We have had taxes enough, so far as that is concerned, but the revenue has gone with monotonous regularity to the outside. When Mr. Bulyea left Dawson

We understand that when incorporaman in Dawson, be his nationality what it may who is possessed of a minimum of taxable property is entitled to vote for the city officers. For this reason it behooves the entire population to interest themselves in securing incorporation. This step having been successfully taken a long advance will have been made to Each room furnished with the spring beds and ward securing local representation in Parliament.

The time is not far distant when the question of men will come up. Already in a quiet way suggestions are being made and names considered. This is entirely proper. Too full discussions in Choicest Wines, Liquers and Cigars such, matters cannot be secured. But the first duty confronting Dawson is to take the steps necessary tor securing information. When that is done it will not be difficult to find gentlemen, capable and willing to fill the various city

Removal.

After Saturday, August 27th, the Canadian Bank of Commerce will be found in the new premises between the Barracks and the Gold Commissioners office. A down-town branch will be opened for the H. T. Wills, Manager.
