## Make Erin Truly Free.

Father Mathew came to stir the souls of all drink-bating men.  
 Ah! if we only had your like on this poor earth again,  
 Then Erin would not lag behind the newly-sober Russ,  
 For you'd, like Kossia's noble Czar, work miracles for us.  
 O brothers, we have lived to see our loved green Isle set free—  
 A nation in an Empire working for honesty,  
 Free from vice, King Alcohol, a spirit it from deep hell,  
 Still rules the land and people that we all love so well!  
 Come, down upon your knees with me, and supplicating God,  
 To raise another Mathew from Erin's sacred sod.  
 To drive the king snake, Alcohol, from our dear land away,  
 And make our freedom perfect for ever and a day.  
 —Garrett O'Connor.

## Does Prohibition Pay?

KANSAS ANSWERS THE QUESTION WITH WONDROUS FIGURES.  
 Few persons realize the wonderful record that Kansas shows at the end of her thirty years prohibition of the sale of alcoholic liquors. A careful investigator writing in "The Outlook" recently showed that—  
 In 87 of her 105 counties Kansas has no insane. In 54 of these counties there are no feeble-minded, 96 of her counties have no insubriates, 38 of her county poorhouses are empty, 53 of her jails were recently empty, and 65 counties had no prisoners in the state penitentiary. The entire number of paupers in the State falls short of 600. Some counties have not called a Grand Jury to try a criminal case in 10 years.  
 Not long ago Kansas had 200 million dollars in her banks, her farmers owned live stock valued at 225 million dollars, and in one year the people have added 45 million dollars to their taxable property.  
 Only two per cent. of the entire population is illiterate. The mortality rate has dropped from 17 per 1,000 to 7 per 1,000.

## Protecting Natives in German Africa from the Drink Evil.

Germany has a colony with an area of more than three hundred thousand square miles in southwest Africa, where the missionaries of the Rhenish and Finnish Missionary Societies are at work. On September 16, 1907, the governor of the colony issued an important decree concerning the import and sale of spirituous liquors. The measure provided that saloon-keepers and other dealers in liquor must secure a special license, which costs between fifty and two hundred and fifty dollars. It is forbidden to give or sell spirituous liquors to any natives, though house servants are permitted to receive small quantities from their masters, though not in place of wages. If servants become intoxicated through liquor given by an employer, the latter must pay a fine or go to jail. If the offense is repeated the punishment becomes severe. Contraventions by licensed persons are punished still more severely.  
 Nearly a year ago a Russian was found to death returning to a lumber-camp in Northern Ontario. He had been drinking at a hotel for the night at town, then, and had a quantity of liquor with him when found nearly dead. Last week judgment was given in a Toronto court that his death was due to drink, and the keeper and her

## AFTER GRIPPE

Mrs. Findley Made Strong By Vinol  
 Severy, Kan.—"The Grippe left me in a weak, nervous, run-down condition. I was too weak to do my housework and could not sleep. After trying different medicines without benefit Vinol restored my health, strength and appetite. Vinol is a grand medicine and every weak, nervous, run-down woman should take it."  
 Mrs. GEO. FINDLEY.  
 "Vinol, our delicious cod liver and iron tonic, sharpens the appetite, aids digestion, enriches the blood, and builds up natural strength for energy."

## Home Made Gifts for Men

Phone Record Made of Lines  
 A record for phone calls is a convenience that every man will appreciate and a gift that will last indefinitely. The device for making a phone list are shown in the picture above.  
 The cover is made of heavy, unbleached linen, cut in a strip about six inches wide and twelve long. This is edged with buttonhole stitching in black embroidery silk. Four eyelet holes are worked near the center as shown in the picture. A small spray of red flowers, with green foliage in embroidered in one corner and a leather, scroll and "Phone Calls" are done in outline stitch in black.  
 This linen cover encloses a tablet on which names and numbers are written. Narrow red ribbon strung through the eyelets holds cover and tablet together and forms hangers for suspending the record.

## Pin Cushion and Candle Shade

Certain patterns in Cretonne are suited to dresser scarfs, pin-cushion covers, slipper bags, candle shades and other little furnishings that are required for men's rooms. In the picture a dresser set is shown, including a scarf, pin-cushion and candle shade. The cretonne shows a red rose and green foliage against a black and white striped ground. So decided a pattern is to be most sparingly used, and the scarf is therefore only bordered with the cretonne. A square pin-cushion is covered first on one side with a small square of the cretonne sewed smoothly over it. For the other side a considerably larger square is hemmed about the edges and pinned over the cushion.  
 The candle shade is made over a wire frame and consists of a circular piece stretched over the top and sewed to place. A hemmed strip hangs from the edge of the frame to which it is sewed.

## Pillow Cover and Dresser Scarf

Cretonne is the most effective of inexpensive materials for making beautiful gifts. It is at its best in furnishings for the bedroom.  
 A pillow cover of cretonne and a dresser scarf of cretonne bordered with it are shown in the picture. The pillow cover is finished with a hem all around, and bound with black braid about the edges. The open square fastens with snap fasteners.  
 The dresser scarf suggests the way in which these strong, brilliant patterns should be used. A band of the cretonne is stitched along each side, leaving most of the surface white as a background for the pin-cushion or other articles that may be covered with the cretonne.

## MOTHER SUPERIOR

Bays Vinol Creates Strength  
 Henry Hill Home, Hawthorne, N.Y.  
 I have used Vinol for many years down, weak or enfeebled patients with benefit. One young woman was so weak and ill she could hardly creep to her door and I supplied Vinol to her liberally and in a month I hardly recognized her. Her cheeks rosy, her eyes shining and her cheeks rounded out.  
 MRS. ALONZA LATHROP, O. S. D.  
 We guarantee Vinol to sharpen the appetite, aid digestion, enrich the blood and create strength.

## My License.

If I were a liquor dealer, I would keep my license with great care. When I made my last will and testament I would direct my executors to put the precious document in my cold, empty hand so that when called upon to confront the souls of my victims at the Bar of God, I could hand to the judge the license that a Christian community gave me to carry on my work of destruction and death. I would tell the judge on the Throne that the citizens of my community wanted to raise money for revenue and that the permission and authority to degrade and debase the souls of men, came from them.

One evening a little boy entered a grocery store and handed the clerk a note which read: "I am a poor-woman and have no money. My children and I are starving. Won't you give us something to eat?"  
 The kind-hearted clerk filled a large basket with food and gave it to the boy, who quickly departed.  
 In a few minutes he again entered the store.  
 "What's the trouble now?" said the clerk.  
 "My sent me back to get the trading stamps," the lad replied.

# Backache

The artist sketched this picture from life in a Toronto blacksmith shop, in order to get the correct pose of the smith at the anvil and shoeing a horse. Is it any wonder that the blacksmith's greatest troubles are backache and derangements of the kidneys? The constant strain on the muscles of the back and kidneys interferes with the filtering action of these organs. The uric acid poisons left in the blood cause pains and aches, backache and rheumatism, and such serious diseases as Bright's disease and hardening of the arteries result.  
 But it is not the blacksmith alone who is tortured by backache, for there are many occupations in which the continuous strain on the back leads to much suffering, and also to serious disease.  
 Blacksmiths have always been strong in their praise of Dr. Chase's Kidney-Liver Pills, and by telling others of the good results accomplished by this treatment have added much to its popularity among farmers and horsemen generally.  
 Being direct and prompt in their action, Dr. Chase's Kidney-Liver Pills appeal to the man of action. The liver is awakened, the bowels aroused and the kidneys strengthened by the influence of this medicine. The filtering and excretory organs lose no time in cleansing the system of the poisonous matter which gives rise to pain and disease. Constipation is overcome, kidney derangements corrected, digestion improved, and you feel fine. Put them to the test when you are feeling out of sorts. Let them prove their value. One pill a dose, 25 cents a box, all dealers, or Edmundson, Bates & Co., Ltd., Toronto.

May be the dough had forgotten to rise.  
 Or had risen quickly overnight and fallen again—  
 To rise nevermore.  
 'Twas weak flour, of course.  
 Meaning weak in gluten.  
 But FIVE ROSES is strong, unusually strong.  
 With that glutinous strength which compels it to rise to your surprised delight.  
 Stays risen too,  
 Being coherent, elastic,  
 And the dough feels springy under your hand.  
 Squashes and cracks as you work it.  
 Feel the feel of a FIVE ROSES dough.  
 Note the wonderful smooth texture—soft—elastic.  
 Great is the bread born of each dough—  
 Your dough!  
 Try this good flour.
