TO FARMERS.
LOBSTER GUANO.

This concentrated, powerful and valuable fertilizer is now shipped, unscreened, at \$25, and fine screened, \$30 per ton of 2000 lbs., in barrels or bags f. o. b. from wharf at Cape Canso. Orders for next season are looked from this date at Halifax, No. 67 Hollis Street. One ton of this Guano spread broadcast on a field with a sowing drill or otherwise, is equal in effect to fifty tons of common fertilizer waste as now used, but has no pernicious emanation nor unpleasant odor. It being a fine, dry and soluble powder, its action and assimilation are immediate. For further particulars apply to above address or P. O. Box 33.

**IMPORTANT TO CARRIAGE DEALERS
AND USERS.**

The Adjustable Sand Box.

Can be applied to any vehicle in 20 minutes time by any ordinary mechanic. They are essential as well as useful, and no carriage is complete without them. It is economy for everyone to have them applied to their carriages, for the following reasons—
1st. You can save the wear of your axles 50 per cent.; they are practical and are fast coming into general use. 2nd. You can run your carriage 200 miles with one oiling. 3rd. Water, sand, mud and dirt cannot get in upon the bearing of the axle, hence the necessity of frequent oiling and the continual wearing is avoided. 4th. Grease and dirt are not continually oozing from the axle bearing. 5th. They are cheap and durable. One set will last a life time; but if necessary can be easily replaced with little expense. 6th. The first and only Sand Box ever invented to go on over a solid collar.
Livestable keepers generally are adopting them as a matter of economy. Every mail brings unsolicited testimonials from parties using these valuable improvements. Write for inducements, descriptions and cuts of the Adjustable Sand Box and Improved Concord Axle; if your dealer does not have these goods in stock send your order direct to me and I will forward promptly. **DON'T BUY A VEHICLE WITHOUT THE ABOVE ATTACHMENTS.** Address
