### JUST WHAT

all horsemen should know and have is a large bottle of **KENNEDY'S Lightning Remedy**.—A book of 22 pages goes with each bottle that teaches the art of cyphering shorthand; this book also instructs any man how to cure heaves in horses; remove a wart from a horse; to cure colic without medicine; to physio a horse; to make condition powders; to cure bone spavin, curb, splint, ringbone, sweetie, or to remove a pipe where a running sore is formed, and to cure founder; all to be done without the use of the burning iron or knife, and not putting the horse out of use, as you can work him every day or turn him out to grass. Send for it to any address upon receipt of 25 cents.

You will only hear one name...
