Yes, That is True.

We have been fortunate in always having classes of bright students. We do not want to claim more credit than we are entitled to: but they have turned out well, haven't they? That is the main point, because you will stand as good a chance as they did, and better too, because we are trying hard to improve all the time. No summer vacation. Send for catalogue to

VITÆ-ORE!

A Puzzle to the Scientist!

An Enigma to the Medical Student!!

A Boon to the Afflicted!!!

A RECENT GREAT DISCOVERY.

No doubt no remedy before the public will become as popular as Vitæ-Ore, which is now being introduced in New Brunswick by the General Agents, **A. B. WALLACE & CO.**, Germain St., St. John. It is the sediment of a once famous mineral spring oxydized by a simple natural process in the open air. We find in this ore, after it is oxydized, all of the natural constituents of the waters of the world's most noted healing springs. By its use the sufferer obtains at home, at a very small cost, the same blessings which the wealthy patients procure at the springs at an expense of hundreds of dollars. The ore is in no way made over or subjected to any artificial process; it is given to the patient in the same state in which it is found, a pure, unadulterated product of nature.

Hundreds of unsolicited testimonials are received from grateful people all over New Brunswick where it has been introduced. Many are received like the following from Mr. John McKenzie, ex-Mayor of Moncton, N. B.: "I have derived more benefit from Vitæ-Ore than from any other medicine I have taken for the last seven years." Not only is Vitæ-Ore a scientific article, and the greatest remedy before the public, but it is a marvel of cheapness. One package, which makes a five weeks' treatment, costs only one dollar. Any afflicted member of the Order would be wise to write to Mr. Wallace, and without doubt will be answered in an honest, intelligent manner.—N. B. Forester.

We will continue our offer in giving one half of commission on order sent in to Home Missions to the readers of this paper. Should you not be acquainted with the virtue of V.-O., we will be pleased to send you the names of some of those that are taking it.
