

PARAGRAPHIC.

SHE WAS SAVED

From days of agony and discomfort, not by great interpositions, but by the use of the only sure-pop corn corn—Putnam's Painless Corn Extractor. Tender, painful corns are removed by its use in a few days, without the slightest discomfort. Many substitutes in the market make it necessary that only 'Putnam's' should be asked for and taken. Sure, safe, harmless.

Machinery has reached a great state of perfection. We, recently, says an exchange, saw some burst peas put in the hopper of a coffee mill, and in less than two minutes they occupied a place in a grocery window, labelled 'Fine Old Mocha.'

A life saved for thirty-five cents! A lady in Boston had Diphtheria and was almost dead from strangulation, but was instantly relieved and finally cured by *Johnson's Anodyne Liniment*. Every family should have a bottle ready for instant use.

Dr. Johnson once, speaking of a quarrelsome fellow, said:—'If he had two ideas in his head they would fall out with each other.'

Horsford's Acid Phosphates.
IN NERVOUS EXHAUSTION.

Dr. Geo. McKnight, Hannibal, N.Y., says: "I have used it in cases of nervous exhaustion, with quite satisfactory results."

'Do you know what the favorite study of the masher is?' asked DeWiggs. 'No, I don't,' replied LeDiggs, 'It is meet-her-ology.'

FOR DELICATE SICKLY CHILDREN.

Scott's Emulsion is unequalled. See what Dr. C. A. Black, of Amherst, N.S., says: "I have been acquainted with Scott's Emulsion of Cod Liver Oil, with hypophosphites, for years, and consider it one of the finest preparations now before the public. Its pleasant flavor makes it the great favorite for children, and I do highly recommend it for all wasting diseases of children and adults. Put up in 50c and \$1 size."

Young Man—"I love your daughter, sir, and would like to make her my wife." Father—"What are your prospects?" Young man—"I think they'll be pretty good, if you'll say yes."

JAMES PYLE'S PEARLINE is not a soap, but a Washing Compound—a great invention for saving toil and expense without injury to the texture, color, or hands. Pearlina is the champion of all compounds for washing in hard or soft, hot or cold water, and without soap, soda or other preparations. In the families of miners, machinists, plumbers, painters, printers, farmers and laborers, Pearlina is a blessing. It is equally efficacious in washing dishes, clothes or begrimed hands.

Profitable investment. One dollar's worth of *Sheridan's Cavalry Condition Powders* fed to a coop of thirty hens will yield a profit of three dollars, besides preventing all manner of diseases. Be sure to get Sheridan's. The large packs are worthless.

Philadelphia wants to get rid of its gamblers on the ground that their fleece is not as white as snow.
