LEADERSHIP MEANS SUPERIORITY

For nearly a score of years the Happy Thought Range has been Canada's leading range, and has obtained a popularity never before equalled.

The name Happy Thought is a synonym of quality, the standard by which others are judged. Economical because best. If every housewife knew how easy cooking is made by use of the Happy Thought — how much time, trouble and labour is saved, she would use no other. The evenly heated oven, answering instantly the action of the dampers, makes cooking a delight and not labour.
