Hey guys, thanks a million for being so sporting, spontaneous and supportive. The sketch was perfect (at least to me!) and it wouldn't be that great without your participation.!

And to those who helped with the ticket sales. You did a good job "pushing" those tickets although demand was low, thanks!

Good luck to your mid-terms and thanks for your time.

To the Drunken One,
Since you don't remember that Saturday night after the Cosmo maybe we should try it again a little bit more sober.
