

No 83.

1 Copy/

Sir,

Storekeeper General's Office
Fort George 9th Sept. 1874.

Being put to great inconvenience
for want of an office at this Post, there
being no suitable place to be hired,
or any building to be obtained from
the Quarter Master General's Department,
I beg to observe that as the house at
present occupied by the Indian
Storekeeper was built for an office
and accommodation of the person
in charge of the Indian Stores, and
as the whole of the Stores have been
transferred to this Department, this
building would be well calculated
for an office for the Storekeeper
General's Department, it being near
the Storehouses and convenient

William Robertson Esq.

By Storekeeper General
Quebec.
