

1908. " 2066
and Ecole des Sciences Politiques and the
Parliament. This I feel I must do. But
why cannot we make a compromise
and instead of my first plan
take this one. You wish to prolong
your stay in Berlin into June. I
wish to go to Paris in May and
be there a part of June at least.
Very well - I will go to Paris about
May 15th and be there about a
month, then about the third or
end of the second week in June
we will both make tracks for say
either Bern, Zurich or Lucerne and
there, go through Switzerland into
Italy to Venice, Florence, Rome
and Naples - from Naples take the
steamboat to Marseilles and ride
north either towards Paris or the
