The Rt. Hon. W. L. Mackenzie King,
Laurier House,
Ottawa, Canada.

My dear Mr. Premier:

In reply to your kind inquiry regarding the
photograph of your grandfather that you noticed at Sir
William Mulock's residence.

Sir William Mulock was kind enough to allow us
to take the photograph at our studio, and we might get
a similar frame. We find that the said photograph is
11 by 14 inches, and the $\frac{1}{2}$ inch metal frame is somewhat
tarnished. We cannot replace the frame, but we have very
similar frames that are priced at three and four dollars.
These frames are a little superior and have made corners,
and are sold as non-tarnishable.

The price of the 11 by 14 portraits is \$8.00
each, \$40.00 for the half dozen; the medium size is priced
at \$4.50 each, or \$24.00 for a half dozen; the smallest
size is \$3.50 and the half dozen \$15.00. The two latter
we send that you may have a better idea, and we would ask
you to accept them with our compliments. From the above
prices, please deduct one third, *should you care to order*

With kind personal regards from Mrs. Lyonde and
myself, I remain,

Very sincerely yours,

F. W. LYONDE

P. S. Six days before the last election, I wrote you
predicting a majority of eighty. To convince you that
I am not slipping, six days before this election, I predict
that you will have a majority of seventy. As I believe,
Stevens took eight or ten seats that might have gone to
Bennett.

March 20, 1940.
