

C-25

A- It is quite possible, sir.

Q- Now there is another little point. Did you hear anyone in the Officers' Lines or Officers' Hut mentioning that someone wearing an Eighth Army patch had been in your hut?

A- No, sir.

Q- No one mentioned that?

A- No, sir.

Q- Just one more question. How many beers did you have to drink the night of March 1st?

A- I would say about six, sir.

Q- Having drunk six beers, I suppose you'd be fairly chatty?

A- Oh, I don't think so, sir.

Q- Beer doesn't affect you that way?

A- I have been drinking it a long time, sir. I guess it doesn't.

Q- Did you say that it is possible this flashlight struck you?

A- It may have been possible, sir; I couldn't tell you, sir.

----- Prosecutor declines to re-examine.

QUESTIONED BY PRESIDENT :-

Q- I understand you said that you had seen the accused around A-10?

A- Yes, sir, on numerous occasions.

Q- At any time that you saw this sergeant in the hut was he in a lighted spot where you could see his features?

A- Oh, yes, sir.
