Dear Sirs;

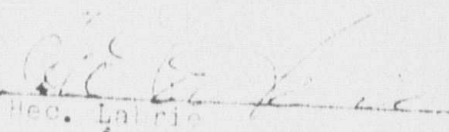

Refer your file 5003-HIU(ARE)
Attention Mr. Parker

This letter will confirm that aircraft Cessna 170B
CF-1 U was written off and sold as salvage to Mr. A. Jasman
P.O. Box 1083 Vermilion Alberta.

Regarding the CoFA and CoFR they most likely were
in the log books that went along with the salvage.

The officers of the flyer club are on holidays but
should you want a declaration on the certificates please
advise and I will look after this for you as soon as they
return.

Yours Truly

Jec. Labrie
