HANDLE YOUR OILS AND
GASOLINE WITH THE
WAYNE PUMP

*IT PREVENTS WASTE
DUE TO EVAPORA-
TION, LEAKAGE &
SPILLING & MAKES
THESE GOODS MORE
PROFITABLE.*

*It saves time and labor,
as there is no constant
filling and handling of
measuring cups, and does
away with dust and im-
purities.*

*Throws a pint, quart, half-
gallon or gallon, and mea-
sures exactly.
Works easily, and when
not in use can be securely
locked - screws are com-
pletely housed. All parts
accurately machined and
thoroughly tested and are
interchangeable.*

*If you are interested in a
clean, safe, money-saving
way of handling oils and
gasoline, jot down a line
for full particulars on the
Wayne System NOW.*
