

CANMORE**No. 1. Pushing of Cars:**

The following clause shall be added: If the coal is pushed more than three hundred feet, compensation is to be arranged between the Company and the man—or the work is to be done by Company work.

NORDEGG**No. 1. Collars and Bridge Sticks:**

The Company is requested to endeavor to adjust the complaint with regard to collars and bridge sticks.

No. 2. Forepolling:

The following clause shall be in lieu of the present clause in the tentative agreement: "Where forepolling is ordered by the Company, it shall be paid for at the rate of sixty-two cents per yard where actual forepolling is done." Forepolling should not be confused with lagging.

No. 3. Pushing of Cars:

The Company is requested to reduce the extra pushing up cars to a minimum as far as practicable.

The foregoing amendments, alterations in working conditions and rates of wages shall become operative on the first of August, 1917.

W. H. ARMSTRONG,

Director of Coal Operations.
