

It is the duty of every man or woman to make their home one of the brightest spots on earth.

This may easily be accomplished by purchasing one of the

ACME

Sunlight Gas Generators

MAKING YOUR OWN GAS.

MANUFACTURED BY THE

SUNLIGHT GAS CO., Ltd.

MONTREAL, P. Q.

A cheaper, softer or more brilliant light than that produced by coal oil or any other known illuminant.

There is no Generator equal to the **ACME** for safety and durability.

For further particulars write to the above Company.

All enquiries cheerfully answered.
