British Columbia Timber

The difficulty of obtaining impartial, reliable information regarding any special section of timber in British Columbia has led this company to install a department under the supervision of Mr. G. F. Gibson, devoted exclusively to timber.

The company acts solely as agent, and will neither purchase nor sell for itself, consequently its recommendations are impartial.

Special reports by most reliable cruisers, noting accessibility for logging, will be furnished with as little delay as careful examination will permit.

Correspondence solicited.
