

OUR PREMIUMS

THE number of our subscribers has considerably increased during this month, thanks to the zeal and devotion of those who have at heart, the Eucharistic reign of Jesus, in the Sacred Host. We are greatly pleased and gratified at the result, and very sincerely thank those who have so generously helped us in our Apostleship. To reward their devotedness and, if it be possible, to spur it on to greater efforts, we have decided to extend the limit of our promised premiums until the

"15 OF FEBRUARY."

In order that our readers may not forget what those attractive premiums are, we reprint them, with some notable additions.

Each new subscription will be rewarded by two pictures, one for the subscriber and the other for the person sending the subscription.

If more subscriptions are sent, we will give one picture for each subscription, and one extra for the collector; moreover, any person sending us five new subscriptions will receive, besides the six pictures, a beautiful chromo 16 x 20 representing His Holiness Pope Pius X and one pair of **Croisier Beads**.

Any person sending ten new subscriptions will receive twelve pictures, two pair of **Croisier Beads**, to which many precious indulgences are attached, and be entitled to one year's free subscription to the Sentinel.

The subscription is only **fifty cents** a year. Mass is offered every month in behalf of all subscribers, living or dead.

We will mail with pleasure a sample copy, free, to any one sending their name and address to
