

ing should be erected to replace the Berkeley street fire hall instead of repairing the old building, as proposed. He will report on the matter.—A recommendation to remove the Bay street fire hall from its present site and erect a new hall will be considered at an early meeting of the Fire and Light Committee.—The council has given notice of its intention

to construct a brick pavement on Frederick street, from Front to Esplanade, at cost of \$2,750, and a cement concrete sidewalk on West Roxboro street, north side, from Yonge street to Avenue road, at cost of \$3,340.—H. H. Beasley has purchased a lot at corner of Triller and Harvard avenues and intends building a residence.—The city engineer has

again called the attention of the city council to the necessity of constructing additional groynes to protect the island.—Building permits have been granted as follows: Charles Mould & Co., three-storey brick and stone dwelling, 226 Campbell avenue, cost \$2,700; James McDonald, alterations and additions to dwellings, 228 and 230 St. Clarens
