## THE "VULCAN" REVOLVING SHOVEL

Giant Class E 65-ton, 2-yd. Steam Shovel digging gravel ballast.

Has many advantages—It digs and  
dumps on all sides—operated by one  
man. Can also be used as a locomotive  
crane, railroad ditcher, or railroad pile-  
driver. Made in two sizes—No. 1  
and 2. Send to us for descriptive lit-  
erature and full particulars.
