

Don't Pour Oil on the Fire

IT'S JUST AS FOOLISH

to attempt to quench the fires of disease, to check its onward spread, by using a stimulant, a medicine, preparation, tonic or treatment that depends for its effects upon an artificial stimulation either from alcohol or other drugs, as it is foolish and fool-hardy to pour coal oil upon a fire to quench the flames. You wouldn't be so foolish—you would laugh at a person who would—would say the man or woman was crazy, yet that is just what you and thousands of others are doing every day that you pour into your stomachs, that you put into your system, the drugs, tonics, tablets, powders and compounds, made to sell, and to sell only. They only serve to feed the fires, not to quench them.

Vitae-Ore, Nature's own remedy, offered on 30 days' trial to all readers of this publication, is not a compound, not a drug, not a stimulant! It is manufactured in a laboratory man neither controls nor directs—Nature's laboratory—under the supervision of THE MASTER CHEMIST—Nature. It was and is intended by her for the stomachs of men, to cure all the ills of mankind. It does not depend for its power upon a stimulating ingredient—does not build up temporarily, and then, when its effects are worn out

and off, leave the system worse off, more a-fire than before. It builds up a permanent cure by first laying a permanent foundation, and then adding to it, building upon it, stone after stone, layer upon layer, until the structure is complete and the body is delivered

over to the owner's possession—firm, sound and hearty in every muscle, vein and fiber. It's the way all permanent structures are built; it is the only right way. Produced by the same immutable, unchangeable, natural law that produced the human organism itself, it supplies to that organism those elements which in poor health are lacking, elements that must be placed and retained in the system if permanent good health is to be enjoyed, and Vitae-Ore, and Vitae-Ore only, can put and retain them there. If you are sick and ailing, if you are all run down, if your organs, your blood, your stomach, your heart, your kidneys, are not working right, if you are sick and do not know what is the matter with you, if the doctors cannot and do not tell you, cannot and do not help you, you ought to give this wonderful, natural mineral remedy a trial and the chance it needs to prove all this to you. It won't cost you a penny! The owners take all the risk! What doctor, what hospital, what sanitarium, has ever offered to treat you in this way? What other medicine has ever been so offered? You are to be both judge and jury, to pass upon it. You have the entire say-so. If it helps you, you pay for it—if it does not help you, you do not pay for it. One package, ENOUGH for a month's trial, is all that is necessary to convince you. How can you refuse? If you need it and do not send for it, what is your excuse? You are to be the judge! Read our special offer.

You Are to Be the Judge!

Unconscious from Pain.

Horrible Sufferings from Solatio Rheumatism Stopped by Vitae-Ore.

I was stricken with Solatio Rheumatism some time ago and suffered horribly. At times I would become unconscious by reason of the awful pain. Although I doctored incessantly, the intervals of intense suffering grew more and more frequent and all seemed to be at a loss to prevent them. I spent a great deal of money in my attempts to secure relief, and tried about everything which was ever known to accomplish any good in such troubles. Vitae-Ore has cured me, and in an astonishingly quick and effective manner. I have had no return of the trouble and am going about my affairs as though I had never felt the grip of rheumatism. It is wonderful what this ore has done in my case, and no sufferer should leave a day go by without trying to see if it will do the same in his. I shall always speak a word for it wherever possible.

We know Vitae-Ore, and are willing to take the risk. We have done it in thousands of cases and are not sorry.

Vitae-Ore is a natural, hard, adamant, rock-like substance—mineral—ORE—mined from the ground like gold and silver in the neighborhood of a once powerful, but now extinct, mineral spring. It requires twenty years for oxidation by exposure to the air, when it slacks down like lime, and is then of medicinal value. It contains free iron, free sulphur and free magnesia—three properties which are most essential for the retention of health in the human system, and one package—one ounce of the ORE, when mixed with a quart of water, will equal in medicinal strength and curative value 800 gallons of the most powerful mineral water found on the globe, drank fresh at the springs. It is a geological discovery, to which nothing is added and from which nothing is taken. It is the marvel of the century for curing such diseases as

Rheumatism, Bright's Disease, Blood Poisoning, Heart Trouble, Dropsy, Catarrh and Throat Affections, Liver, Kidney and Bladder Affections, Stomach and Female Disorders, La Grippe, Malarial Fever, Nervous Prostration, and General Debility,

as thousands testify, and as no one, answering this, writing for a package, will deny after using. VITAE-ORE has cured more chronic, obstinate, pronounced incurable cases than any other known medicine and will reach such cases with a more rapid and powerful curative action than any other medicine, combination of medicines, or doctor's prescription which it is possible to procure. If yours is such a case, do not doubt, do not fear, do not hesitate, but send for it.

Vitae-Ore will do the same for you as it has done for hundreds of readers of this paper if you will give it a trial. Send for a \$1.00 package at our risk. You have nothing to lose but the stamp to answer this announcement. We want no one's money whom Vitae-Ore cannot benefit. You are to be the judge! Can anything be more fair? What sensible new life, a healthier, happier existence, if used as thousands of long suffering women, now well, have used it. An ideal treatment of a nature allowing it to be used locally (and local treatment is an absolute necessity) as well as constitutionally, its use offers to every woman most speedy relief, and an absolute permanent cure from the many diseased conditions which unfit women for the full enjoyment of life and its duties. If you need it, if you are sick and suffering, or just weak and tired, send for it, try it, without any risk to you. It cures in these special cases where costly treatments, advertised for such uses exclusively, fail even to benefit. Hundreds of readers of this paper know

Glad Tidings for Every Woman!

Though woman is the most perfect piece of mechanism, if the expression may be permitted, in all God's creation, she is from the nature of her organism, the most delicate.

Like a watch, her system is made of many integral parts, each a perfect piece of mechanism in itself, but powerless when separated from the rest. Damage a part of a watch even so slightly, and it immediately is deranged, its running powers and usefulness impaired. If the damage be great it stops entirely; if slight it runs in a half-hearted way, losing a minute here and there, out of joint with itself, as it were. It may run correctly for a time, then erratically. So it is with a woman. If one of the vital organs becomes ever so slightly deranged the working of the entire system is impaired, is "out of joint." If the trouble be slight, like the watch, it may not be noticeable at times, if great it stops "running" after a time and death is the result. To keep each separate organ in its normal condition, to keep the body sound and healthy, all functions active, all conditions regular, is a duty that every woman owes not only to herself, but to her family, future generations and to the world at large. To those suffering from any of the numerous forms of female complaint, brought about by one cause or another, Vitae-Ore comes with glad tidings and the promise of an almost new life, a healthier, happier existence, if used as thousands of long suffering women, now well, have used it. An ideal treatment of a nature allowing it to be used locally (and local treatment is an absolute necessity) as well as constitutionally, its use offers to every woman most speedy relief, and an absolute permanent cure from the many diseased conditions which unfit women for the full enjoyment of life and its duties. If you need it, if you are sick and suffering, or just weak and tired, send for it, try it, without any risk to you. It cures in these special cases where costly treatments, advertised for such uses exclusively, fail even to benefit. Hundreds of readers of this paper know

Health Completely Broken

Suffered for Twelve Years—Now Well and Strong.

I shall feel grateful every day of my life for the great benefit which I and my family have derived from the use of Vitae-Ore. For twelve years I suffered from a complication of troubles caused by overwork. My health was a completely broken and my blood was in a severely anemic condition. I suffered each year from La Grippe during the cold damp seasons. I consulted a good physician, who said that what I needed was at least a three years' rest, but with three little children and a home to be cared of, that, of course, was out of the question, so I resorted to the use of medicines. Besides my other troubles, I also suffered from Piles and my doctors told me that this condition could not be cured. I tried numerous advertised patent treatments, as well as a great deal of doctors' medicine, but what little relief I secured was only temporary, and after a while I got so used to drugging that I received no benefit whatever, no matter what I used. Vitae-Ore has completely cured me. I am now well and strong and have been so for months. We find it also an invaluable home remedy, excellent to prevent blood poisoning, boils, etc., and it is a quick healer for coughs, burns and bruises. It is also splendid in throat troubles and catarrh. I always intend to keep a supply on hand and it is the only thing we need in this house.

How can you refuse to give it a trial after reading such ringing testimony? If you need the treatment it is a sin and shame if you do not.
