A special meeting of the stockholders of the famous Chicago-New York Air Line is to be held at Portland, Me., on Tuesday, when the proposition of issuing \$680,000 of preferred shares, carrying 7 per cent. dividends, will be considered. It is also proposed to change the par value of the shares from \$100 to \$25. Under that plan the present holder of one share would get four of the new issue, but will be obliged to pay par for the preferred stock.

The Chicago-New York Air Line, it will be remembered, launched two libel actions of \$50,000 each against the Monetary Times almost a year ago on account of certain criticisms in these columns.

One of the features of the management at the time this extraordinary enterprise was mooted was that there were to be no bonds or preferred stock. The Air Line literature will make good reading for the financier of the future.

As a result of the recent visit of Dr. Van Hagan, and other New York capitalists to Maccan, N.S., the party have taken out a charter to organize a Coal Company to take over certain properties at Maccan known as the Ridley Mine. The charter is taken out in the name of the Great Northern Coal Company, Limited, under the laws of Nova Scotia. The capital of the company is \$500,000, and the company is composed entirely of New York men.
