C. M. B. A.

C. M. B. A. Pins will be sent on receipt of price, \$1.35, by addressing T. P. TANSEY, 871 St. Martin Street, Montreal, or THOS. COFFEY, CATHOLIC RECORD OFFICE, LONDON.

At the regular monthly meeting of C. M. B. A., Branch 9, held on Oct. 15th, the following resolutions of condolence were passed:

Resolved, That whereas this Branch has learned with the most profound regret of the sad affliction the family of our worthy and esteemed First Vice President, Jno. J. Behan, have sustained by the death of his father,

Resolved, That this Branch sympathizes most affectionately with our worthy brother in his sad affliction, realizing as we do, that the loss he has sustained is a loss that deprives a family of a good and considerate father, the city of an honest and God-fearing citizen, and the church of a true and devoted Catholic.

Resolved, That the family of our worthy brother shares the warmest and tenderest feelings of sympathy and affection from this Branch in their sad hour of trial, and we further pray that God will give them the consolation of his Holy Spirit, that, though the heart may fail to understand, it will lead them in time to believe that even so severe an affliction was ordered for some wise purpose, and to look forward to a happy reunion in that glorious Kingdom, where alone true joys are to be found.

Resolved, That copies of the foregoing resolutions be presented to the family of Bro. Behan, also to the local Press, and sent to the Evening Post and Catholic Record, our official organs, for insertion therein.

JOHN J. BOGGER, Sec. Secy, Branch 9.

TELEGRAPHIC NEWS.

FRANCE AND CHINA.

A Hong Kong despatch says Admiral Courbet tried to blockade the northern coast of Formosa before ordering the renewal of the attack by the French fleet upon Tamsui. He expects to resume offensive operations both on land and on sea next week.

A Hanoi despatch states that the Chinese army completely dispersed after their recent defeat, leaving killed and wounded upon the field and abandoning an immense quantity of provisions. Many Mandarins were killed.

A native arrived at Wady Halfa from El Obeid reports that a steamer has been wrecked, but the Dahabieh crew, which was murdered within a few days' march of friendly territory. He reports that El Mahdi's troops carried the heights along the Nile north of Khartoum and have thrown broken telegraph wires across the river.

The Paris "Figaro" says the Chinese force defeated at Chue was only a column of the left wing of the army invading Tonquin. It contains the slaughter of three thousand Chinese by the fact that no quarter was given or taken, and no prisoners taken. Courbet has completed the defence of Kelung.

Fresh forces of Chinese are invading Tonquin. There are many European officers in the Chinese army.

A Tien-Tsin despatch says two battles were fought at Lang Kiang, between Langson and Baeninh, one resulting in the defeat of the Chinese and the other in the defeat of the French. The losses of the French were considerable and those of the Chinese heavy. It is reported all French ships have left Matson for Port Arthur.

Gen. De Lisle telegraphs to the French Government from Chu, on the Upper Loachuan River as follows:—"Col. Domnier, after a brilliant engagement on Friday, carried the heights commanding the fortress of Chu, forming the pointed appui of a large entrenched Chinese camp defended by five casemated forts. The Chinese forces were very large, and their losses heavy. On Saturday they attempted to assume the offensive, but our artillery strewed the ground with Chinese bodies. After losing all their positions the Chinese fled toward Langson. They halted near Phutrong and Khanh. The French loss was 30 killed, including an officer, and 90 wounded. Two officers were slightly wounded. Our troops were animated with the greatest ardor. The Chinese were part of the best troops of the empire. They were perfectly armed and manoeuvred in European style. The Chinese losses were 3,000 killed, including their Chief Commander. The Chinese invasion of Tonquin has been arrested in the direction of Langson.

Le Paris urges upon the French Government the necessity of reinforcing Courbet at Kelung, and Delisle in Tonquin, in order to place them in a position to strike a final blow at the Chinese.

Latest official dispatches from China state there has been no fighting in Tamsui since the 8th inst. Courbet asks for a battalion of marines to strengthen the invading parties. Gen. Delisle telegraphs he has only 8,300 effective troops, which is insufficient to occupy any extent of the enemy's country.

rumors are current in Paris to the effect that the French have gained a victory in Tonquin, and 450 Chinese fell in the engagement.

EGYPT.

Arab telegrams have been received at Wady Halfa to the effect that Gen. Gordon has reached Berber, but nothing confirmatory of the report has been officially received.

The Morning Post's Assouan despatch says that the Canadian voyageurs attached to the Egyptian relief expedition have become insubordinate, often flouting refusing to obey the officers in command, and are threatening to become a serious hindrance to the progress of the expedition.

Gen. Wolseley, says a Wady Halfa despatch, has ordered his sailors to carry the boats on their shoulders, a distance of a mile, around the great cataract.

Wolseley has ordered the concentration of a camel corps twelve hundred

strong at Dongola. It is supposed he intends to march over the desert via Mer-awa or Berber.

ENGLAND.

A Conservative demonstration at Birmingham announced for to-day was prevented by an organized force of their opponents. Liberals in great numbers forced an entrance to the Town Hall by battering in the doors with heavy planks and overwhelmed the Conservatives, who were powerless. A free fight ensued, in which furniture was used as weapons. Mobs swept from the platform officers of the meeting and speakers. Sir Stafford Northcote and Lord Chamberlain were unable to speak and retired to a side room, where they addressed a small crowd.

Lord Randolph Churchill has declined to endorse any compromise with the Liberals on the Redistribution Bill.

The London air is full of accusations and counter accusations regarding the riot at Birmingham. The Tories say that a Liberal caucus initiated the violence, and that such men as Joseph H. Chamberlain and John Bright incited it. They say that it is beyond doubt that the outrage was deliberately planned, and that forged tickets were given to the rioters to enable them to gain admission to the hall. Known members of the mob will be prosecuted with all the energy that can be secured by a liberal outlay of Tory money.

English detectives are closely watching ports of Belgium, special attention being given to Antwerp, to prevent the departure of dynamites for England. Stringent measures are being adopted to prevent anticipated dynamite outrages. It is rumored that Spencer desires to resign, and that he will be succeeded by the Duke of Connaught.

At a banquet at Stratford-upon-Avon to-day, Sir Francis Culliff Owen promised, with the assistance of G. W. Childs, Philadelphia, to organize a fund in America, for the restoration of the church where Shakespeare is buried. The amount required is \$100,000.

The London police have discovered dynamite cartridges, to which was connected a partially burned fuse, under the grand stand of the Houghton and Spring race track. The races had just been concluded and an immense multitude had just left the stand when the discovery was made.

The English Government has decided to expend £1,000,000 on its fortified stations in Aden, Singapore and Hong Kong. Orders have been sent from the War Office to hasten the work.

On the opening of Parliament a Commission will be appointed to inquire into the state of the navy, and the Admiralty will ask for an increased grant for ship-building, to enable it to give orders to private firms for the construction of swift, heavy armed and light armored vessels.

IRELAND.

The announcement that the Irish Nationalists are about to import Irish-American speakers has caused an unexpected sensation in Dublin. The Times and Orangemen are organizing meetings to neutralize the effect of imported eloquence. They are also taking practical measures to head off the Irishmen who are coming from America, and have prepared from certain cities in the United States authentic reports of violent speeches made by Alexander Sullivan, late President of the Irish League; Patrick Ford, editor of the Irish World; and John Finerty, the Chicago Congressman.

These copies have been formally submitted to the Dublin Castle authorities, with a view to inducing Earl Spencer to proclaim the meeting at which Messrs. Sullivan, Ford and Finerty are expected to speak. All these and some other speakers will arrive in Ireland soon after the general election in the United States. Negotiations between Parnell and Gladstone are broken off. Trevelyan has secured Gladstone's assent to the renewal of the Crimes Act.

Lord Dufferin, at a banquet at Belfast to-night, stated he had no fear of a disagreement with Russia on the Central Asian question. He was personally intimate with the Russian Minister of Foreign Affairs, who desired amicable relations between his country and England.

Prayers were offered and masses celebrated for the repose of the soul of the late A. M. Sullivan, in all the Dublin churches on the 19th.

RUSSIA.

A St. Petersburg despatch says—a political trial, conducted secretly, has just been finished. Six army officers implicated have been sentenced to death. The executions will be secret. Six others were sentenced to banishment, including Vera Filippova.

The London despatch to the Grand Duke Alexis on the occasion of the laying of the keels of ironclads at Sebastopol, said—"I rejoice at the new birth of the Black Sea fleet. God grant that the spirit of the old fleet may revive and render good service to the fatherland."

UNITED STATES.

Wm. McMaster, a farmer of Stratford, Vt., whose drinking had dissipated his fortune, being dunned by a creditor, went out to his barn and hanged himself.

J. R. Williams, superintendent of a Lincoln, Neb., Sunday school, has absconded with \$27,000 borrowed from friends, the church, Sunday school, temperance and political circles. It is supposed he has gone to Canada.

A confidence operator awaiting trial in jail in Detroit on the charge of swindling numerous clergymen and others has been identified as ex-governor Franklin J. Moses, of South Carolina. Moses' record of crime is a lengthy one. In Chicago he is wanted for obtaining \$42 from two physicians on bogus checks.

In Boston, Cambridge and Portland he worked his favorite game, obtaining sums of money from prominent persons on his plausible representations. Moses is 45 years old and is a lawyer by occupation. Thirteen years ago he was Speaker of the Assembly and the avowed candidate for Governor of South Carolina to succeed the carpet-bagger, Gov. A. K. Scott, whose term expired in 1872. Moses was elected Governor, and held the office for three years. He was a power in the South until the overturn of the State Government made him and his fellow thieves fugitives from justice. Moses went to New York and, when he

had run through his South Carolina booty, he turned swindler. He induced old friends to cash worthless checks. He even descended to stealing an overcoat from John D. Townsend, the New York lawyer.

The Ohio State elections resulted in favor of the Republican candidates. "Oh, Jim Blaine, give us something you have touched!" cried, according to several of our exchanges, an enthusiastic Western Virginian the other day. We find the incident quoted in a Protestant religious journal without one word of reproach on the subject of relic hunting.—New York Freeman's Journal.

Miss Caron, daughter of the late Lieutenant-Governor Caron and sister of the Hon. Minister of Militia, will pronounce her vows next week at the convent of the General Hospital, Quebec.

An Orillia despatch says:—Since it became evident that the Scott Act would become law in Simcoe the hotel keepers met in council and framed a tariff of prices in Orillia. Maisonneuve, never returned east of Pembina for the last 7 years. On his way back his Grace stopped at Medicine Hat, Swift Current, Moose Jaw and Qu'Appelle stations. From this last place he visited the mission of the same name, where he found the good work progressing satisfactorily.

The gardens of the Qu'Appelle valley, near the lakes, and especially that of the mission, are very likely the best in the Northwest.

The trip west was not only highly agreeable, but very beneficial seemingly to His Grace's health, which, by very many friends will be glad to learn, is much improved.—Manitoba Free Press.
