Attractive

IS THE  
WISH OF  
EVERY  
LADY

Perhaps we can help you a little by improving some unsightly arch, a nice piece over a bay window, a screen for a stairway, a cozy corner, a handsome stationary or folding screen. The expense will not be much and would add greatly to the appearance of the rooms.  
We make these in Moorish fret work, Japanese fret work, Scroll or Gille work, or combinations of the different styles, and made or finished in any kind of wood desired.

"A new epoch in Bible study."

—DR. LYMAN ABBOTT.

**The Modern Reader's Bible.** A series of books from the Sacred Scriptures, presented in modern literary form, by Richard G. Moulton, M. A. (Camb.), Ph.D. (Penn.), Professor of Literature in English in the University of Chicago. Small 18" x 10". Cloth extra, 50 cents each.  
Volumes now ready: Genesis, Exodus, Judges, Kings, Proverbs, Ecclesiastical, Ecclesiastes—Wisdom of Solomon, Job, Deuteronomy, Biblical Idylls.

These volumes present the Bible in the literary forms which it ought to wear. The effect of these changes back to the original poems under which the sacred writings first appeared will be a surprise and delight; one will feel as if he had come upon new spiritual and intellectual treasures. In view of the significance and possible results of Professor Moulton's undertaking, it is not too much to pronounce it one of the most important spiritual and literary events of the times. Each volume contains a very valuable introductory study of the book presented as a piece of literature; and this series of essays, summing up the results of Professor Moulton's long study, form a contribution of no small importance to the literature relating to the Bible. Each volume is also furnished with notes. The text used throughout the series is that of the Revised Version, the marginal readings being usually preferred.
