DRINK HABIT

Cured at Home.

If all who are desirous of giving up the Drink Habit, will correspond with me in reference to the treatment, I represent Canada, I will send them printed matter that will explain all about it. It is absolutely safe, and no bad results.

This treatment is not surpassed in the world, and not only removes the cause of the crave, but it builds up the system. No higher inducements are held by any company than we have in our possession. It stands in advance of all other cures for drunkenness.

We not only antidote the drink crave, but cure the diseased conditions arising from the use of intoxicants.

Rev. J. C. Davison, Rector of Peterboro, says—"I found that the treatment I procured for a friend, did all that was for it."

Hon. L. S. Coffin:—"It is the only scientific cure I know of. I have seen it tried in scores of cases and never knew it to fail."

Absolutely confidential.
