"I beg to thank you for the cheque for Quinquennial Dividend on my Policy with The Great-West Life Assurance Co. ## Did it ever occur to You

that the most lasting impressions are made through the eye?

For many years the extensive use of the blackboard has been advocated for teaching the Sunday school lesson. Did you ever stop to think how much better it can be done with a projection lantern.

The hymns can be thrown on the screen, thus doing away with the distribution and collection of hymn-books.

We have lanterns, and good ones too, for as low as

**TWENTY DOLLARS**

Hymn slides can also be had from us at a remarkably low price. Let us send you full information on the subject.

It is an easy thing to claim fine results for a lantern but it is another thing to show them. We invite you to call and see our lanterns actually at work.
