

## 40 We Handle One Class Only and That the Best 40

### OUR LAST IMPORTATION

I have just landed another fine importation at Halifax, December 29, and will reach Virden, January 12. We have been delayed owing to the rough weather. This importation has size, quality and action, and are all the big, thick, flashy kind. Mares are all safe in foal to prominent horses. I purchase direct from the breeder, and, therefore, get a better selection, and can sell to you at a very small profit. I would strongly advise parties wanting the best to see this importation.
