Heart Disease Kills.

Relief in 30 Minutes.

The most pronounced symptoms' of heart dis ease are palpitation, or fluttering of the heart, shortness of breath, weak or irregular pulse, smothering spells, swelling of feet or ankles, nightmare or spells of hunger or exhaustion. The brain may be congested, causing headachəs! dizziness or vertigo. In short, whenever the heart flutters, or tires out easily, aches or palpi-

tates, it is diseased and treatment is imperative. Dr. Agnew's Heart Cure has saved thousands of lives. It absolutely never fails to give perfect relief in 30 minutes, and to cure radically. Sold by McLean & Morrow.
