MILLIONS FOR SOLDIER NOTHING FOR SAILOR

The Golden Showers Have Practically All Fallen on The Army—How About the Men of the Sea?

"Everything is done for the soldiers," said a young Canadian Naval recruit, "but without a tinge of bitterness in his voice. 'Smokes for soldiers, comforts for soldiers. Did you ever hear of smokes for Sailors?'"

There has been a marked absence in Canada of movements for the betterment of the men of the Navy and Mercantile Marine, but with the spread of the Navy League this is being remedied. His Excellency the Duke of Devonshire, who is Vice-President of the Navy League of Great Britain, is taking a very active part in furthering the interests of the League and recently a large number of new branches were formed.

The men of the Navy and Mercantile Marine are the poorest paid class in the world, facing the horrible perils of the deep for a mere pittance, leaving their families in many cases destitute. Meanwhile, while the public are generously and patriotically giving millions for the relief of the Army, the men of the Navy are almost forgotten.

A year ago the Navy League gathered a considerable sum in the Dominion for relief work, but this large sum went to the British Sailors' Relief Fund. This year any money that may be raised will be administered for the benefit of the Canadian Sailors and their dependents.

A Sailors' Day will be held all over Canada on December 8th, for this purpose, and it is hoped to raise a substantial sum to be devoted to the pressing and imperative needs of a class of men and their families who are in sore straits because of their devotion to the Empire's cause.

SAILORS SEEK AID FOR THEIR FAMILIES

Vital and urgent are the needs of the Navy League, which is caring for the work of looking after the needs of torpedoed seamen of the Mercantile Marine and Naval service. Canada has surprised the world in the generosity of her people for patriotic purposes, but the golden showers have practically all fell on the army, while the men of the sea have received little attention.

Last year many Canadian municipalities made grants for the Navy League objects, and the proceeds were sent to the Motherland. This year, a Sailors' Day will be held on December 8th, which is the anniversary of the Falkland Islands Victory, and His Excellency the Duke of Devonshire, who is Vice-President of the Navy League of Great Britain, has issued a statement, in which he lauds the excellent work of the league, and expresses the hope that Canadians will give to the cause.

As a class, the men of the Mercantile Marine and Naval service are very poorly paid, and in many cases their families are suffering great privations, and there is a distressing lack of funds to send them proper assistance.

However, it is hoped that the S.O.S. call on December 8th will receive a very generous response, and that the men guarding the high seas and carrying our commerce to all parts of the world, will be made to feel that the people at home have not forgotten them. Their families must be looked after.

Rippling Rhymes

The generals I roundly scold, I criticize the soldiers bold, who now conduct the fray; the Kaiser would be promptly canned, if I were only in command and running things my way. I sit around the corner store, with langid cronies, half a score, who smoke their long clay pipes; and say the grocer's priceless cheese, and say the scrap across the seas is giving me the gripes. And when I pause to take a rest, some other jay pulls down his vest, and talks in kindred strain; he hits the grocer's demijohn, and says the way the war goes on is giving him a pain. When he subsides another skate explains that Haig's a featherweight; a failure to repeat; he takes a bite of boneless cod and says that balled up scrap abroad is giving him cold feet. If you would find the gifted wigwag, you must go to the States; might most fittingly descend, if you a Caesar would desecr don't cast your keen inquiring eye where modern armies vend; don't waste a scrutinizing glance upon the riven fields of France, all red and damp with gore; avoid the battle's din and reek—for you will find the man you seek in any village store. He sits and talks as his mission; the care of the helpless, the sick, the crippled and the deformed. There never was a year in the history of the Hospital when funds to carry on the work were more needed than now.

Your purse is the Hospital's Hope. Your money lights the candles of mercy on the Christmas trees of health that the Hospital plants along the troubled roadway of many a little life.

So I am asking you for aid, for the open purse of the Hospital's friend is the hope of the Hospital at Christmas, just as the open door of the Hospital's mercy is the hope of the little children throughout the year.

Calls on generous hearts are many in these times. Calls on the Hospital are many at all times, especially when food and fuel, drugs and service costs are soaring high. YOU know the high cost of living. Do you know the high cost of health?—helping the helpless?—What you do to assist is the best investment you will ever make.

Do you realize what this charity is doing for sick children, not only of Toronto, but for all Ontario, for out of a total of 3,740 in-patients last year 546 came from 254 places outside of Toronto. The field of the Hospital's service covers the entire Province—from the Ottawa to the far-off Kenora—from the borders of the Great Lakes to the farthest northerly district.

The Hospital is doing a marvellous work. If you could see the children with crippled limbs, club feet, and other deformities, who have left the Hospital with straightened limbs and perfect correction, your response to our appeal would be instant. In the Orthopedic Departments last year a total of 336 in-patients were treated; and in the Out-Patient Department there were 1,946 attendances.

Let your money and the Hospital's mercy lift the burden of misery that curses the lives, cripples the limbs and saddens the mothers of the suffering little children.

Money mobilizes the powers of help and healing for the Hospital's drive day and night against the trenches where disease and pain and death assail the lives of the little ones.

Remember that every dollar given to the Hospital is a dollar subscribed to the Liberty Loan that opens the prisons of pain and the Bastilles of disease, and sets little children free to breathe the pure air, and to rejoice in the mercy of God's sun.

Will you send a dollar, or more if you can, to Douglas Davidson, Secretary-Treasurer, or

Chairman of the Board of Trustees
