Another farmers' company, the Reid is president, L. O'Bryant vicepresident, and J. F. Stratton is secretary-treasurer, is getting its poles on the ground ready to build north, and the ultimate aim of this organization is to build a farmers' line right through to Regina, thirty miles distant. A third company preparing to build northeast from here, while there is talk of another one westerly. Arrangements are be ing made for a common exchange in Milestone which will be in operation before the snow flies. The American farmers are bitterly hostile to the Bell company, and are determined to keep that concern out of Milestone, though its subsidiary company, the Saskatchewan, has already built a long distance line through from Moose Jaw. Once the success of the movement is proved in Milestone, it will doubtless be followed all along the Soo line.

Rouleau Beat Yellow Grass
