"I am Going to find out."

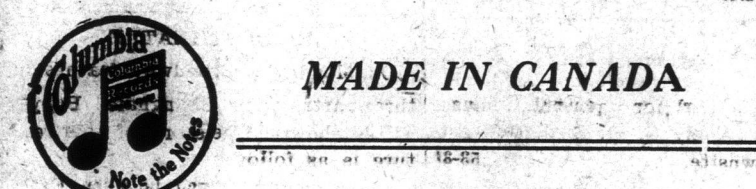

"I have been reading and hearing about Columbia Records so much and so often that I am going to decide right now for myself whether they are better recorded and have a better and more lasting surface than any I have heard."

"I have been told time and again that they will fit my machine and there are hundreds of Columbia Records at the standard price of 85c. I am going to prove it."

"I own a talking machine and if there's anything new of better in the way of records I want it."
