

"My Back Is So Bad"

PAINS in the small of the back, lumbago, rheumatism, pains in the limbs all tell of defective kidneys.

Poisons are being left in the blood which cause pains and aches.

The kidneys, liver and bowels must be aroused to action by such treatment as Dr. Chase's Kidney-Liver Pills.

There is no time for delay when the kidneys go wrong, for such developments as hardening of the arteries and Bright's disease are the natural result.

One pill a dose, 25 cents a box, all dealers, or Edmanson, Bates & Co., Ltd., Toronto.

Stiffness

It is astonishing how quickly Minard's Liniment relieves stiffness and lameness.

Gives Great Relief

Mrs. A. B. Cahoon, 25 Park Ave., Coburg, Ont., writes:— "My husband has used Minard's Liniment frequently, always with good results. Friends of mine use it for rheumatism and tell me that it gives great relief."

Mrs. Fred Johnston, Box 735, Thorold, Ont.— "I suffered very much with rheumatism in my feet last winter, was advised to try Minard's Liniment, and was relieved immediately after first application. I purchased in haste and it has entirely gone. The winter I can go out without tying up my feet and give the credit to Minard's Liniment. Have told several people about Minard's, and others are using it."

A BAD EGG.

The rattlings of a big transport on its way to France were lined with very new soldiers when a massive gob hurried by, bent upon some urgent duty. "Gangway! Gangway!" he shouted as he passed along the deck.

"Gee, that guy'll catch hell when they find him," murmured one of the recruits. "They been hollerin' for him all mornin'."

"Hollerin' for who?"

"Why, that guy Gangway."—The Home Sector.

No Demand for It.

"At some time or other every man has expressed a fervid desire to kick himself."

"Sure."

"But if you were to invent a cheap and practical device which would enable a man to give himself a vigorous kicking, you wouldn't sell one in a year."

In the Days to Come.

"Papa, Uncle Tom has been showing me his coin collection and he had a funny little piece he said was a nickel. What did people use it for?"

"My child, in former times you could buy things with that coin. Strange as it may seem to you, you could even get a street car ride with it."

BOTH ALIKE.

Mr. Newgit—Yes, sir, I started in life a barefoot boy.

Mr. Oldfam—I too, was born without shoes.

Literary Approval.

She reads the novel, every line "was written by a prig. But auntie says the book is fine because the type is big."

Not Very Far.

"I told that promoter I'd buy two shares of his stock."

"Well?"

"He said two shares wouldn't do me any good."

"He's probably right. Two shares wouldn't go very far as wallpaper."

Unappreciated.

The Judge—Your wife complains that you contribute nothing to the support of your family.

The Accused—She's got me wrong. My conduct prompts the neighbors to give her enough food and castoff clothing to keep them in luxury.

Precaution.

"Why have you placed this sheet of iron behind the screen?"

"Now and then one of the cowboys takes a notion to shoot at somebody in the play," explained the proprietor of the moving picture palace at Pisen Gulch.

One Out of Many.

Knicker—Burton surely got a peach of a wife. Her father brought her up all right.

Bocker—Has she wonderful characteristics?

Knicker—I'll say so. Knows a good box of cigars when she buys them.

An Expensive Luxury.

Nevered—Doesn't a daughter in your family add greatly to your expenses?

Longwed—It didn't amount to so much until she went into business in order to become self-supporting.

The Conditions.

"When I put my foot down it stays there?"

"People in your neighborhood must be liberal with ashes on their pavements."

GOT MONOTONOUS.

"Why don't you call your hotel 'The Breakers' any more?"

"Aw, everybody had to crack an alleged joke as he paid his bill."

The Play's the Thing.

The things that poor old Shakespeare wrote are queer and that's a fact. They're strangely easy when you quote, but mighty hard to act.

Gone.

"I have a novel idea for a film play." "What is it?" "The husband and wife in the plot have no serious marital difficulties."

Accounting for It.

"He showed his grit when he was whirled out of the machine." "No wonder; he had to hit the post."

Speaking of Kings.

Mr. Pecked—Smith is king in his home.

Mrs. Pecked—Yes; I was there the day his wife crowned him.

TORTURED BY TERRIBLE ECZEMA

Suffered Three Years Until She Tried "FRUIT-A-TIVES"

DAME PETER LAMARRE

Pointe St. Pierre, P. Q.

"I think it my duty to tell you how much your medicine has done for me."

I suffered for three years with terrible Eczema. I consulted several doctors and they did not do me any good.

Then, I used one box of 'Sootha-Salva' and two boxes of 'Fruit-a-tives' and my hands are now clear. The pain is gone and there has been no return. I think it is a marvellous cure because no other medicine did me any good and I tried all the remedies I ever heard of, without benefit until I used 'Sootha-Salva' and 'Fruit-a-tives'.

'Fruit-a-tives' cooled the blood and removed the cause of the disease, and 'Sootha-Salva' completed the cure."

Germans Fear Europe's Ruin Through Terms

Berlin, Feb. 1.—Dr. Walter Simons, the foreign minister, declared in the Reichstag today that the German Government would refuse to negotiate on the basis of the Entente decisions regarding reparations and would formulate counter-propositions. His position was supported by all the party leaders except the Communists, who heckled and jeered him when he concluded speaking.

Dr. Simons said the German Government was unable either to refuse or agree to participate in the forthcoming London conference because it had not yet been invited to send representatives.

See Ruin of Europe

The Berlin newspapers today are as one in voicing the opinion that the reparations conditions laid down by the Allied Supreme Council in Paris sound the economic ruin of Central Europe, including France, Belgium and Italy. The papers however, do not presume to advise the cabinet as to its course in this crisis, reaching the conclusion, as one of the newspapers expressed it, that Germany is powerless to oppose this "victory madness."

Some of the conservative organs, discussing the probable effects of the reparations conditions suggest that they would leave Germany a plaything to the ex-remits.

Against the Tax

Some newspapers in their comment display particular animosity against the provision for a twelve per cent tax upon German exports. This provision, Borwaerts declares "will in five years' time force the world to discontinue free trade." As to the plan as a whole the Vossische Zeitung declares it means perpetual slavery for Germany. It casts a cloud over the European situation and engenders new hatreds.

Lower Your Coal Bills With A 'HECLA' PIPELESS FURNACE

It will cost you less for coal to heat your whole house with this furnace than it will to try and heat it with stoves.

It will cost you less for coal with a "Hecla" Pipeless than with any other heating system!

The "Hecla" Firepot has three times the heat-radiating surface of any other furnace because it is ribbed with flanges of steel. For that reason it gives quicker heat—and more heat.

Owners say that this exclusive "Hecla" feature applied to pipeless heating means wonderful fuel economy.

At today's price of coal you do not need to save many tons to pay for a "Hecla" Pipeless.

Patented Fused Joints are another superiority of the "Hecla" Pipeless. They are proof against leaks of gas and dust.

And in the "Hecla" Pipeless you get an extra big waterpan—that runs all around the furnace. Thus, every room in the house is supplied with air that contains a healthful degree of moisture.

It takes but a day to install a "Hecla" Pipeless. Our booklet "Buying Winter Comfort" describes all the other advantages fully—tells why it keeps the cellar cool for vegetables, why it heats every room properly, why we guarantee it absolutely. Write for it now. There's lots of zero weather ahead. Why not enjoy the comfort a "Hecla" Pipeless gives, and begin saving your coal bills now—this winter.
