A Remarkable Case. Frederick Wieser, of Alton, Ont., suffered with running sores on both legs which the best of physicians failed to cure. Two bottles of Burdock Blood Bitters cured him completely. Scrofula always due to bad blood, is curable when timely treated with B. B. B.

Very Easily Answered. Mrs. Hawkins—"Well, Mary, is my bath ready?" Mary—"What is the matter, ma'am?" "A cold in the hot water." "—St. Louis Chronicle

Of Great Utility. There is no other medicine of such general usefulness in the household as Haysard's Yellow Oil for the cure of rheumatism, neuralgia, sore throat and all internal and external pains and injuries.

Some Church-members are like railroad trains—they shed all of their light ahead on their own track, and leave a little old blue light hanging on the rear to the sinners out in the dark.—Sam Jones.

Its thousands of cures are the best advertisement for Dr. Sage's Catarrh Remedy.

There is no danger of the young man who goes to see his girl striking for shorter hours.

Health is impossible when the blood is impure, thick, and sluggish, or when it is thin and impoverished. Such conditions give rise to boils, pimples, headaches, neuralgia, rheumatism, and other disorders. Ayer's Sarsaparilla purifies, invigorates, and vitalizes the blood.

"More Trouble May be Expected. If you do not heed the warnings of nature and at once pay attention to the maintenance of your health. How often we see a person put off from day to day the purchase of a medicine which if procured at the outset of a disease would have remedied it almost immediately. Now if Johnston's Tonic Liver Pills have been taken when the first uneasiness made its appearance the illness would have been "nipped in the bud." Johnston's Tonic Bitters and Liver Pills are decidedly the best medicine on the market for general tonic and invigorating properties. Pills 25c. per bottle. Bitters 50 cents and \$1 per bottle, sold by Goode the druggist, Albion block, sole agent.

How a Duke Caught Cold. A slim young man in the height of fashion was violently sneezing in a street car, when a companion remarked, "Ar, Charles, dear boy, how d'ye catch that dreadful cold." "Ar, dear fellow, left my case in the lower hall to-day, and in sucking the ivory handle, so dreadful cold, it chilled me almost to death." If Charles had used Dr. Harvey's Red Pine Gum his cold would not trouble him very much. For sale at J. Wilson's prescription drug store.

The Greatest Luxury Obtainable for Impaired or Diseased Vision is a Pair of The Celebrated Axis Cut Pebbles!

The frauds that have been perpetrated on the spectacle wearing public by most spectacle dealers and peddlars by giving assumed and fancy names to ordinary glass, speaks for the ignorance of the public generally, in the all-important subject of the preservation of sight. There are only two articles from which the spectacles lenses can be manufactured: viz: Pebble and glass—call glass by any other name, it still remains glass. Pebble, on the other hand, is of nature's own manufacture. It is a natural crystal found generally in free-stone formation, and is harder than the ruby and emerald, and nearly as hard as the diamond. The Pebble is not more or less than a transparent stone, cut by aid of diamond dust, and the greatest amount of power is placed immediately over the centre of the grain found in all pebble. It will give to the spectacle wearer the coolness, freshness and a pleasant feeling that the ordinary spectacle lenses cannot by any possibility impart. All spectacles and eyeglasses are stamped B. Land can only be purchased from F. JORDAN Druggist, Goderich.
