WILL BELL MONOPOLY INVADE EDMONTON (Wednesday's Daily) A letter was read at the council

meeting last night which indicates that Edmonton may have a speciacular telephone war on its hands within the next six months, with all the sidelines of injunctions, pole-chopping, fire brigade defence and all that sort of thing. The letter was from J. E. Bull, district superintendent of the Bell in Calunder its statutory powers intended to erect poles under the statutory powers prescribed in its charter on the following described streets and alleys:. Rice street from the intersection of

alley between Queens and Fraser cast Fraser from Alberta Hotel Rice from Fraser to the public aley between Fraser and Namayo.
Public alley between and parallel to Fraser and Namayo avenues north to

Heiminck.

Heiminck from intersection of the mayo west to Fraser. The communication also requested ed to direct and supervise the work. The company's intention in the matter is not clear, but the letter, leaves room to imply that the Bell intends to ton. As the city has now completed

a new system at a cost of nearly \$100,-000; and as the franchise alone is worth states that there was misre- anywhere from a quarter to half a million, the city will undoubtedly not le the Bell people in without a grand fight, one that would test their statutory powers in every joint. The Beil Company has always heretofore declar ed that it had no intention of going in-to the telephone business in Edmonton, but wanted only long distance connection. The commissioners answered the to -the effect that the city would be able to give them connection at the city limits with the new system before the Bell -people

could build in, and advised Mr. Bull to consider an arrangement on that basis The matter, no doubt, will be watched with interest by the ratepayers. SUPREME COURT (Wednerday's Daily)
