

They Have Cured Thousands

Father Morriscy's Famous Prescriptions Have Earned The Confidence of Those Who Have Tried Them.

Father Morriscy's "No. 7" Cures Rheumatism and Kidney Trouble

There are different ways to relieve the wearing ache and grinding pain of Rheumatism—but only one way to cure it. That way is to clear the blood of the poisonous Uric Acid which, settling in the joints and the fibres of the muscles, causes all the suffering. This Uric Acid can only be removed by and through the Kidneys.

They are the natural filters of the body, whose work it is to take out of the blood the worn-out tissue and other waste matter that, if left in, soon turns to poison.

Father Morriscy's "No. 7" acts directly on the Kidneys, toning them up to vigorous action. Immediately they begin to clear the poisonous Uric Acid from the blood, and in time remove it entirely, and with it, of course, the Rheumatism.

"No. 7" Tablets are most effective, and perfectly safe. Price, 50c. a box.

Mr. Barbarie, who is Registrar of Deeds at Dalhousie, Restigouche Co., N. B., suffered for years till a friend recommended Father Morriscy's "No. 7" to him. He tells the result:

Dalhousie, N.B., April 14th, 1909.

THE FATHER MORRISCY MEDICINE CO., LTD.

I suffered from Rheumatism for years and recently have been confined to my house with it with Doctors attending. A friend recommended your medicine and I tried your No. 7 Tablets and also your Liniment and can recommend them to all sufferers, as they certainly gave me relief and to-day I can get around as well as I could years ago.

Yours very truly,
JOHN BARBARIE.

Father Morriscy's "No. 26" Cures Catarrh

Colds in the head, neglected, soon get the lining of the nasal passages into a state of chronic inflammation, almost certain to lead the Catarrh. While the earlier stages of Catarrh are not immediately dangerous, they are disagreeable. The more advanced stages become loathsome and usually end in fatal lung or stomach diseases.

Unless something is done to check it, Catarrh almost always grows steadily worse, so that it is not safe to neglect it. According to the testimony of hundreds in the Maritime Provinces, the most effective remedy is Father Morriscy's "No. 26"—a combined internal and external treatment.

The tablets taken internally purify the blood and give the system added vigor to throw off the disease. The salve, applied directly to the inside of the nostrils, cleanses, soothes and heals the diseased tissues. The result, in almost every case, is a complete cure, even where other remedies have failed.

Price 50c. for the combined treatment.

These remedies are not new, nor are they in any sense "cure alls." Each prescription was worked out scientifically by the late Father Morriscy to cure a certain kind of disease. Each prescription has been tested for years, and has proved beyond a shadow of doubt that it will cure that disease. Each remedy is therefore worthy of a place in the family medicine chest ready for the need which is so likely to arise suddenly. Get them at your dealer's, or from

Father Morriscy's "No. 10" Cures Coughs and Strengthens Lungs

The man or woman who trifles with a cough—who lets a "common cold" run its course—who disregards a pain in the chest, that each full breath causes—is playing with death itself.

Father Morriscy's "No. 10", commonly called "Lung Tonic" is one of the safest and most effective remedies that has ever been used for these troubles. It not only relieves the cough and breaks up the cold, but it goes further, and actually builds up and strengthens the lungs and the whole system.

It is combined according to Father Morriscy's original prescription, from Herbs, Barks and Balsams, and does not contain a trace of Opium, Morphine or any other similar drug. It is therefore perfectly safe, even for babies.

Trial size 25c. a bottle. Regular size 50c.

Mr. Aylward got Father Morriscy's "No. 10" just in time to save his life. Read his story:

Campbellton, N.B., Feb. 5th, 1909.

THE FATHER MORRISCY MEDICINE CO., LTD.

During the winter of 1907, while travelling on the Gaspe Coast, I contracted a severe cold which settled upon my lungs.

After I returned home I wrote to Father Morriscy explaining my case. I received a letter from him with a Prescription for his medicine, which could not be filled at the time here.

After one week's delay I received it just in the nick of time to save my life. After one month's use I felt like a new man.

Yours truly,
JNO. AYLWARD.

Father Morriscy's Liniment Drives Out Aches and Pains

Have you a really good Liniment in the house, ready for the many emergencies that are sure to come?

If you have a bottle of Father Morriscy's Liniment handy you can save yourself and your family hours of needless suffering, if nothing worse. It has been used for years by hundreds of the late Father Morriscy's patients, and has proved most effective for sore muscles—bruises—cuts—sprains—strains—chapped hands—chilblains—burns—frost bites—tooth aches—ear aches—back aches—in the kidneys—muscular rheumatism—swollen, aching or stiff joints—sore throat and pain in the chest. It is especially valuable in rheumatism if used externally while the "No. 7" Tablets are being taken. Similarly, it is especially effective when rubbed on the throat and chest at the same time that Father Morriscy's "No. 10" is taken to cure coughs and colds.

Father Morriscy's Liniment is clean and pleasant to use, and a splendid "rubbing" liniment.

Price, 25c. a bottle.

RED, ITCHY SKIN BLOTCHES.

It is impossible not to feel repulsion at the sight of any skin disfigurement. Blisters not only irritate, but destroy good looks faster than even lavish dressing can overcome. Moreover, there's lots of sense in the belief that a diseased skin is a dirty skin, and sufferers should keep this in mind, and use a sure remedy at once. When Dr. Hamilton's Ointment is applied, the blotches disappear. Invariably every pimple, rash and blemish is soothed away. To keep the skin smooth and soft, to remove undue redness, to take away lumps, there is nothing so efficient as Dr. Hamilton's Ointment. Sold in 50c. boxes at all dealers.

Eczema's Tortures

All treatments failed for three long years—Cure complete with Dr. CHASE'S OINTMENT.

Mrs. Link, 12 Walker St., Halifax, N. S., writes: "After three years of miserable torture and sleepless nights with terrible eczema, and after trying over a dozen remedies without obtaining anything but slight temporary relief, I have been perfectly and entirely cured by Dr. Chase's Ointment. After the third or fourth application of this grand ointment I obtained relief, and a few boxes were sufficient to make a thorough cure. It is six months since I was freed of this wretched skin disease, and as there has been no return of the trouble I consider the cure a permanent one."

Such cures are not brought about by imitations and substitutes for Dr. Chase's Ointment. It is therefore necessary for you to be certain that the portrait and signature of A. W. Chase, M. D., the famous Receipt Book author, are on the box you buy. 50 cts. a box, at all dealers or Edmans, Bates & Co., Toronto. Write for a free copy of Dr. Chase's Recipes.

OBITUARY.

MRS. JAMES DOWER.

Friday, at midnight, Jan. 28th, Johanna, youngest daughter of the late Capt. Thos. Costello, of St. John's, and beloved wife of James Dower, leaving a sorrowing husband, three sons and one only daughter to mourn the loss of an affectionate mother and favorably known and beloved and respected by all who knew her.

R. T. G.
O Mother, dear, thy voice is hushed,
Thy loving heart is still,
And on thy pale and peaceful face
Is resting death's cold chill.

Thy hands are clasped upon thy breast,
We have kissed thy lovely brow;
And in our aching hearts we know
We have no mother now.

We miss thee from our cottage home,
We miss thee from thy place;
A shadow o'er our lives is cast,
We miss thy gentle face.

We miss thy kind and willing hand,
Thy fond and earnest care;
Our home is dark without ma'ma,
We miss her everywhere.

Conche, Mar. 15, 1910. MARY.

A Story of the "Koh-i-Noor."

Sir John Lawrence (after Lord Lawrence), acceding to the acceptor's belief, saved India for the British Crown in the Sepoy rebellion. Yet he came near to losing another precious jewel of the British Crown, the famous Koh-i-Noor itself. Amongst the state jewels of the Sikh Court was the famous "Mountain of Light," which, after passing from the Mogul to the Persian, and thence to the Afghan, from whom it was wrested by Ranjit Singh, was now to be presented to Queen Victoria. The diamond was placed in the charge of Sir Henry Lawrence, who deemed his brother the stronger and more practical guardian, entrusted it to Sir John, who pocketed the little box and straightway forgot it. Some weeks later came an official letter from Lord Dalhousie ordering that the diamond be sent at once to Her Majesty. The president received the message during a meeting of the board, and Sir John advised him to send it off promptly. "Why, you've got it," said the senior member. Sir John's clear intellect took in the full horror of the situation, and he feared he was a ruined man, for the gem had never been seen by him since the day it had been given in his keeping. Yet, without a sign of perturbation, he casually replied: "Oh, yes, of course; I forgot all about it." and calmly proceeded to discuss the business before the meeting without any sign of preoccupation. At the conclusion of business he hurried in search of his servant, who chanced to remember taking a small box from his master's discarded clothes. He explained where he had put the worthless box containing the bit of glass and the Koh-i-Noor was safe.

He boarded with Mr. Martin, of 40 New Gower Street, and at 7.30 p.m. Thursday left the house and did not put in an appearance since. He worked at the dry dock, and as the Dundas left Thursday forenoon it is thought he stowed away in her to get back to Scotland.

CHASE AWAY THE TIRED FEELING

Dodd's Kidney Pills will do it Quickly and Naturally.

It is Caused by sluggish Circulation Brought on by Deranged Kidneys Failing to Strain Impurities Out of the Blood.

Stayner, Ont., Mar. 25.—(Special)—In the Spring the Kidneys always need attention. They have additional work in straining the winter's accumulation of impurities out of the blood and if they are at all out of order, it is sure to tell on them. It is only a question of the best method of treating them and Ernest Colwell of this place, adds his testimony to the great mass of proof that the one sure cure for sick Kidneys is Dodd's Kidney Pills.

"Some time ago," says Mr. Colwell, "I had severe pains and soreness in the small of my back, and sometimes noticed a brick dust sediment in my urine, so of course I knew my Kidneys were affected. I procured some of Dodd's Kidney Pills, which readily cured the pains and soreness and restored the urine to its natural color. I always recommend Dodd's Kidney Pills."

Everybody needs medicine in the Spring, and the medicine they need is Dodd's Kidney Pills. They clear the blood of impurities and by giving the blood free circulation, speedily and naturally chase away that tired feeling it is caused by sluggish circulation, and Dodd's Kidney Pills always cure it.

GETTING DRUNK ON CANDY.

Chicago, March 15.—Getting drunk on "candy" has become such a widespread practice among men, women and children in the stock yards quarter that the State Food Department to-day announced its purpose to stop the sale of intoxicating bonbons. One particular "candy" excels the vilest way of intoxication. These bonbons contain a medical intoxicant containing 25 1/2 per cent ether, 2 1/2 per cent ethyl and 65 per cent alcohol. It causes not only drunkenness, but sickness. We find that many candy shells, filled with whiskey, are sold to women and children.
