**A WESTERN  
 MEMORY.**  
 A Poem in Pictures.  
 "While the golden orb sinks  
 slowly,  
 Sinks slowly in the West;  
 I'll be waiting, waiting, wait-  
 ing  
 For the one I love the best."  
 Beautiful in conception,  
 theme and execution, this  
 Idyll of the Western States is  
 without question one of the  
 finest subjects of its kind ever  
 shown at the Nickel. The  
 poetic nature of the picture is  
 brought out most fittingly amidst  
 some of the most picturesque  
 rugged settings of the West.  
 Its human appeal can only be  
 appreciated by seeing it.  
**The Little Cripple.**  
 An interesting little story of  
 modern incidents, which gives  
 a considerable insight into the  
 daily life of New York Institution,  
 for injured children.  
 A powerful Drama of the Western  
 Forests.  
**The Backwoodsman's  
 Suspicion.**  
 The tale of a great wrong.  
 This is a very vivid virile study  
 of character. A capital film of its  
 kind—full of action, life and dra-  
 matic interest—the sensational—  
 adventurous. The dashing chase  
 across country is most thrilling  
 and gripping.  
**Musical—Song—Effects**

**BOVRIL**  
**IS ALL BEEF.**  
 Questions we are often asked.  
 Q.—What is the sediment at the bottom  
 of a cup of Bovril?  
 A.—That is a valuable portion of the  
 nourishment, and should never be  
 left.  
 Q.—Are you serious when you say that  
 Bovril is more nourishing than ordi-  
 nary Meat Extract or Home-made  
 Beef Tea?  
 A.—Certainly! and we have for years  
 offered large rewards to anyone who  
 can prove the contrary.  
 Q.—But can you prove your state-  
 ment?  
 A.—Yes—from the pen of Baron Liebig  
 himself, who told the world that the  
 man who managed to get the nourish-  
 ing, as well as the stimulating prop-  
 erties of Beef in a liquid form,  
 would produce something far better  
 than Liebig's Extract, and would be  
 a public benefactor.  
 Q.—And you have done this?  
 A.—Yes. By a special process, the es-  
 sential nutritious constituents of prime  
 ox beef are separately treated, pul-  
 verized and added to specially-pre-  
 pared Meat Extract, and that is  
 Bovril.  
 Don't experiment with artificial imita-  
 tions of dubious quality (which are dear  
 at any price) when such a tried and  
 proven nutritious food-beverage "made  
 in England" is within your reach.

**Point Platte, Miquelon,  
 St. Pierre.**  
 The following information has been  
 received from the Vice-Consul of  
 France, St. John's:—That owing to  
 the bad condition of the Fog Alarm of  
 Point Platte (Miquelon), guns are  
 fired there, during foggy or snowy  
 weather, every 20 minutes; but those  
 measures having not proved efficient  
 enough, it is thought better to advise  
 navigators to avoid the islands dur-  
 ing bad weather, until further notice  
 is given.
