Wallace Silverwear.

Is your Table Silver as good to-day as when you bought it?
Have you noticed that at the parts most exposed to wear, the silver has become worn?
Do you think this condition of your silver is in keeping with your idea of a well appointed table?
Then why not, when you decide on replacing your old ware, give place to it with the "Wallace" Brand, the Silver that refuses to wear and is guaranteed without time limit.
Start with the Tea Spoons and gradually complete your Set with the one pattern—there are several for you to choose from and the price is very moderate.
Tea Spoons cost \$8.00 for a Dozen.
