NOTICE!
The attention of Tobacco
users is called to the fact
that all plugs of Moose
Head Tobacco contain spe-
cially selected leaf. The good
reputation held by Moose
Head and closely guarded
by the makers, forbids any-
thing but the best being used.
The millions of Plugs sold,
so reduces production cost,
that the U. S. Tobacco Co.
can present to the Public a
genuine bargain in a Plug of
MOOSE HEAD.

Health and Comfort in
the Home.
Many a chill can be avoided by
the wise use of heating with
over-ready gas stoves. An inset
gas fire can easily be installed in
any ordinary coal grate, and will
provide the necessary warmth at
any time.
Gas Fires make no work.
There is no Coal to carry up-
stairs, and no ashes to be clear-
ed away. They are ideal for use
in dimly appointed rooms.
There is no smoke or dust. They
also ventilate the room. En-
quiries solicited.
