{ Halifax, N. S., October 4th, 1871
 Jas. I. Fellows, Eso.—Dear 8ir, :—Our sale of your Compound Syrup of Hypophosphites has been very large; and, not-withstanding its high price, has far exceeded that of any other medicine. We have had frem you within the past year six hundred cases of one dozen each, which have gone into almost every part of the Province, and given, as far as we know, universal sarisfaction. As it is no "quack medicine," but compounded, as we believe, upon the sound principles of pharmaceutical science, we trust you will not allow the public to lose sight of a remedy so well calculated to be of Fermanett value. Very respectfully, Aver., Brown & Co.

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever in-troduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seidom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
