

When She is Getting Better

the doctor orders Stratton's bread toasted. Our bread is so light and nourishing that physicians naturally recommend it for invalids.

We do what the home baker does. We use plain bread ingredients and let our doughs rise in the natural way.

The result is bread with a substantial slice that appeals to the most hardy and the most delicate appetites alike.

When you at—eat bread—eat good bread—eat Stratton's bread. It satisfies and saves.
