Very Itchy and Disfiguring. Got a Little Cuticura Soap and Ointment and Was Cured.

"For two summers I suffered with skin trouble on my arms, and on my legs from my knees down. My arms were badly disfigured, and I kept them covered. It came like the hives, and was very itohy. I consulted a specialist, who gave me medicine, as well as an ointment, but seemed to do no good. It was beginning to appear on my face. "I got a little Cutioura Ointment and some Cuticura Soap. The first touch of Ointment seemed to relieve, and before the Cuticura Cointment was finished I was cured. I have not the least sign of trouble. I think it would have spread over my whole body if Outioura Soap and Ointment had not cured me. I am delighted with them, and do feel pleased to think I have something I have confidence in. I tell all my friends about them, and 1 think Cutioura Ointment is the best I ever sew." (Signed) M. J. Chatham, Oct. 18.—Geo. W. Sullman,
M.P.P., will undoubtedly, again be the
choice of the Conservative nomination

Westman will likely get the nomination
