

BIERBAUER AND MARSHALL ARE ON THE HOSPITAL LIST

Both Will Be Out of the Game for a Few Days—Assumption College Team Here Tomorrow—No More Releases For a Few Days.

Manager Deneau and his squad worked out at Tecumseh Park this morning. The cold tang in the air put a lot of ginger in the boys, but it is hard on arms, and the players had to be frequently cautioned by Rubie.

Bierbauer and Marshall are both on the hospital list. Louis has a corn on his foot and as a result is pretty lame. He had it taken out yesterday, but his foot is still very sore. Marshall's eye is giving him a lot of trouble, and he had to have it bandaged. He will not be in the game for a couple of days. He has been working with one eye for the past two or three days. Pitcher Nicholls is also complaining of a sore arm.

Abby Johnson's team will be here all right, is the opinion of Manager Deneau. Abby apparently did not like the thought of playing Guelph yesterday because of the dismal outlook for a game. Besides, the vanishing stunt was a good press agent gag, anyway.

The Assumption College team will

be here tomorrow and one of the best exhibition games of the season will be given. Manager Deneau has the unique record of playing the Assumption boys about 80 games, with only one win. When he was managing the Windsor team he used to take weekly trips to Assumption to play the college boys, and for ten years he never won a game on those trips. Finally he introduced a "rube" pitcher one day and beat the Assumption people 14 to 1.

Owing to the fact that two or three players on the team are crippled, Manager Deneau will not release any more players for a few days. He intends to keep the squad at its present strength until the end of the week, anyway.

Jimmy Gihooly and Marty Connors, both of whom were with the London team for part of last season, played against the Hamilton team with the Niagara University nine on Saturday. Gihooly pulled off a couple of star fielding stunts, and also came across with a couple of hits. Although sold to Canton he apparently does not intend to report to that club until the season opens.

ST. PATRICK'S CLUB SEEKS TO ENTER N. L. U.

Will Be Considered Along With Other Applicants at Meeting Next Saturday Night.

[Canadian Press.]
Montreal, April 29.—St. Patrick's Amateur Athletic Association of Montreal is the latest applicant for membership in the National Lacrosse Union. This application, along with that of Sherbrooke and St. Thomas Aquinas, will be disposed of at a meeting of the N. L. U. on Saturday night, when the schedule for the season will also be drawn up. A meeting of the committee appointed to revise the N. L. U. constitution was held last night. The committee agreed to report favorably on the reduction in the number of players, as well as the regulation as to size of playing field.

The appointment of a competent board of officers will be made at Saturday's meeting under much the same conditions as that of the Inter-Provincial Rugby Football Union. Should the clubs fail to agree on the choice of officials before Wednesday night each week, the president will appoint them from the board. There will be one or two changes made in the penalties. When a player is ruled off a substitute will be allowed in his place, which will keep ten men on the field at all times. There will be no fines. The money now to the credit of the association will be expended in the purchase of a handsome trophy.

ELLIS SOCCER TEAM SURPRISED NOXONS

Former Champions Were Shut Out by Two to Nothing.

[Special to The Advertiser.]
Ingersoll, April 29.—What has seldom happened during the history of the Town Soccer League, occurred last night, when the Ellis Furniture Factory team took the measure of the champion Noxons by the decisive score of 2 to 0. The result was the big surprise of the season, although it was known that the furniture men were strong. However, their most sanguine supporters never dreamed of a shutout. Brilliant football was witnessed throughout the contest, which was always exciting. Towards the close of the game, the Ellis team introduced splendid combination, and their rushes were very effective. Both goals were scored in the final period. The crowd was large, and both teams received plenty of encouragement. The victory for the Ellis team will do much to intensify the interest in the remaining games of the schedule.

LACROSSE COMMISSION FORMED BY COAST CLUBS

Meeting Will Be Held in Winnipeg to Draw Up Rules Governing All Lacrosse in Dominion.

[Canadian Press.]
New Westminster, B. C., April 29.—A national lacrosse commission was formed here last night, after a somewhat stormy discussion as to whether the British Columbia Lacrosse Association should be merged with the Vancouver and Victoria clubs, were vested with authority to act for Westminster in the negotiations there. The meeting settled down to a consideration of whether the commission was unanimously desired, and it finally became the opinion that it would be in the best interests of the national game. The verbal arrangement for a lacrosse commission made by delegates to the east, for one man each from the D. L. A. and B. C. L. A. to meet in Winnipeg at a meeting to draw up the constitution of the national league, was approved. The name of Mr. Isaac P. Blado, K. C. Winnipeg, was favored as chairman of the meeting.

"EVERS DAY" WILL BE HELD IN NEW YORK

Troy Citizens Will Present Cup Manager With Floral Wreath.

[Canadian Press.]
New York, April 29.—The compliment which Chicago admirers of Frank Chance plan to pay the New York American League club's new manager in a celebration here, will have something of a parallel here in an "Evers Day," May 10. The day marks the appearance of John Evers and his Chicago Cubs in the first game of a series with the New York Giants. Over 400 fellow-citizens of Evers, whose home is in Troy, N. Y., have reserved seats for the game. The Trojan delegation plans a big reception and a floral offering for the Chicago leader.

WORKMEN CALLED TO ARMS AFTER WHITNEY FAILS

"Banner" Says Failure to Give Workmen's Compensation "Shameful Betrayal."

Appeals for Province-Wide Agitation for Labor Men to Show Their Colors.

Toronto, April 29.—Under the heading, "Sir James Whitney fails to make good, the Industrial Banner in a recent issue says: Today the wage-earners of the Province of Ontario are thoroughly aroused. Their shameful betrayal by Sir James Whitney and his Government has raised their resentment as nothing else has ever done. Up to the very last moment a large proportion of them refused to believe that the Premier would side-step the issue even under pressure of the private interests, but today they realize that their confidence has been sadly misplaced.

An Abject Surrender.
The workers whose vital interests were at stake were confident that Sir James Whitney was big enough to fulfill the obligations he owed to the great mass of the people of the premier province. They believed he would prove equal to the occasion and they did not expect him to make such a lamentable exhibition by abjectly surrendering to the Manufacturers' Association. Let there be no mistake in this matter, the workers of Ontario are not deceived, they are well aware that the Government has failed in its promises to the wealth producers, that it has proved recreant to its trust and has fallen down, and what is worse it has fallen down without a shadow of reasonable excuse.

Left Unprotected.
For another year at least, in spite of all the shiftings and promises of the Premier and his advisers, the workers of Ontario are left unprotected, and the equitable compensation for injuries act that could have been and should have been inscribed upon the statute books of the province goes over by default.

For days before the adjournment of the Legislature, the draft act of the commission on the subject of compensation was in the hands of the Premier, and it was complete so far as the commission was concerned. Therefore, there was no reason for the delay, or the failure to take whatever on the part of Sir James Whitney. It was up to him to act.

Scanty Recognition.
It is now up to the wage-earning class to realize that in this session of the House, when such a mass of legislation has been passed in favor of the private interests of the employers, labor has received but the scantiest recognition, and in this, the vital question, so far as the workers are concerned, they have been handed out a good-sized stone.

And what of the widows and orphans, who, during the coming year, will be what do you propose to do? Will you stand supinely by in face of this last slight or snub, or will you take upon you to show the autocrat at Queen's Park that even he may essay to step outside the bounds when he tramples on the sacred rights of the men and women who toil?

What Do You Propose to Do?
And now, what do you propose to do? Will you stand supinely by in face of this last slight or snub, or will you take upon you to show the autocrat at Queen's Park that even he may essay to step outside the bounds when he tramples on the sacred rights of the men and women who toil?

PHILLIES PROTEST GAMES AT NEW YORK

Claim There Was a Big Hole Behind Pitching Box on the Polo Grounds.

Boston, April 28.—A formal protest of the games played on the Polo grounds, New York, April 28 and 29, between the New York and Philadelphia teams of the National League, was filed by telegraph with President Leland of the league by President Leland of the Philadelphia club today. The protest is based on the claim of the Philadelphia players that there was a hole in the ground back of the pitcher's box at the Polo grounds on both days. "This is a violation of the playing rules, section 2, rule 3, which says that the ground back of the pitcher's box shall be a solid surface." The hole was filled in for the game of April 25.

BIG ICE JAMS

Steamers Have Hard Time Getting Through Whitefish Bay.

Sault Ste. Marie, Mich., April 29.—Driven by a strong northerly wind, which has been blowing since last night, the big fields of ice are jamming Whitefish Bay again. Steamers are having hard work getting through. Some steamers came back to the Soo last night so not to be out in the ice overnight. The field extends 30 miles above Whitefish Point and thence south to Iroquois Point.
