BLAME "BLACK HANDERS"

Police Fail to Find Slayers of Hamilton Italian.

HAMILTON, May 20.—The murder of Jimmy Lovia in the Beverly Swamp on Wednesday night by persons not known to the police makes about the twentieth in a series of such crimes in which Italians have figured in this city and district during the last three or four years.

All these crimes are attributed to the Black Hand, and few of them have been punished. In this city alone during the period mentioned there have been six murders of Italians, and Niagara Falls, Guelph, St. Catharines and Welland have all contributed their share.

On the occasion of the murder of Scarioni at Niagara Falls, N. Y., recently a police officer who has been closely in touch with these murders predicted there would be two others. The murder of Lovia fulfills half of the prediction.

CAR DEMOLISHED IN CORNER CRASH

St. Thomas Motorists Have Narrow Escape From Injury.

Special to London Advertiser.

ST. THOMAS, May 21.—An automobile driven by C. H. Schultz was nearly demolished in a collision with another car driven by G. M. Charlton about 5 o'clock this afternoon, at East and Talbot streets. Mr. Charlton claims that on account of the sun shining in his eyes he did not see the other car approaching when he attempted to turn at the corner.

Both drivers escaped serious injury. On account of a new act which prevents children being lodged in a common jail, a West Lorne boy of tender years is held prisoner in the home of a St. Thomas police constable. The boy is accused of having broken into a West Lorne store and was unable to receive his preliminary hearing on Saturday, as Squire Hunt was ill.

John Handford, general superintendent of the Pere Marquette shops, and Walter Edwards will make brief speeches at the Kiwanis Club luncheon at the Parkview Hotel Monday. Frank Hardy, president of the St. Thomas Chamber of Commerce, will preside.

Germany is to pay the money in instalments, the agreement will be signed in a day or two.
