Christmas Tree Is Untouched

As Poison Takes Toll of Family

Blizzards Sweeping All Ontario

Mercury Goes Below Zero, 3 Above in London-Eight Inches Snow.

COLDER ON SUNDAY

Snowplows, Relief Gangs Get First Winter Work-More Snow Coming.

After a few spasmodic threats, old King Winter has finally settled down in Ontario for the season, since temperatures considerably below zero are pre-

dicted for tomorrow. His "settling down" activities in London during the past few days have been confined to laying the carpet. It was 31/2 inches thick on Christmas morning, while during Christmas Day another half inch was added. It had attained a total depth of eight inches this morning, and at least another inch is expected to fall before night-possibly more, as the barometer is falling

The high pressure which has covered northwestern Canada for several days has increased while the temperature has become much lower, and since yesterday morning the cold wave has Toronto, Dec. 26.—Events moved had "borrowed" a famous racehorse, and Quebec. The forecasts for Western and Quebec. The forecasts for Western Ontario are north and northwest winds; fair and very cold today and Sunday.

taken seriously today, for the first city crews began the work of clearing it off the sidewalks and roads. Most of the city was covered by the horse-drawn sidewalk plows, while a score or more men began the work of clearing the

oadways of the main streets with trucks, plows and shovels. With a temperature of three above ero this morning, London's weather was in keeping with that prevailing over the entire province. Many centers re-

orted temperatures as low as five Three Above Zero.

The fall in temperatures locall was considerable, as the lowest it ranged on Christmas Day was 15 above. The highest recorded for Christmas Day was 26 degrees, while for the 24 hours ending at 8 o'clock this mo Earlier in the morning the mercry was down to 3 degrees above zero. Wednesday night the snow began to

fall for the first real snowstorm of the man, convicted murderer and mail year, and by Thursday night at 8 o'clock obber, received as his Christmas pres- more than 3½ inches had fallen. The temperature dropped to 20 Thursday, ent today the permission of Federal Judge Learned Hand to make an appeal, which may save Chapman from Canadian Christmas. On Christmas Day the weather was clear with occasional snowflurries. Chapman's counsel presented Judge

The lowest temperature recorded on Hand, with the latter's permission, an Friday was 15 degrees, the highest 26, while the barometer reading was 29.04 In 1924 on Christmas Day th went below the zero mark by 2 degrees, Jose, 19-year-old daughter of King lanta before being returned to Connecticut authorities to be put to death.

Only one complaint about the depth
of snow on walks has been received, the city engineer states. A city bylaw calls for the use of plows where the snow writ of habeas corpus, ruling that is in excess of four inches.

Christmas festivities throughout On-Christmas lesivities de Christmas les de Chrism was now subject to the jurisdiction of coal bins and furnaces as winter's fire

coal bins and turnaces as whiter's lifety advances were indicated by frosted windows and cooling breezes.

Following yesterday's ideal holiday weather which enabled the youth of the province to give much time to she time. skating, snowshoeing and other outdoor sports the mercury made a rapid descent during the night and this morn Herald observed Christmas Day by put-ting out a cheerful front page. All news of a disagreeable or distressing

nature was placed on inside sheets, and those who looked for crime and acci-In Toronto suburban centers the dent items had to shuffle through the paper for them.
