ACCIDENTS MANY FOR BRANT-FORD'S PLAYERS.

FORD'S PLAYERS.

Brantford, June 28 — If there is any place on the Canadian — League circuit where Brantford has fared badly this year it is at London. The reference is not to games lost, but to players injured. Billy Smith, the Red Sox pitcher, who has won all the games he has pitched except two while playing right field at London vesterday stumbled on a piece of undulating ground and sustained a dislocated shoulder bone.

He was sent home last night, and Dr. Pearson made an examination of the injury which was very painful, was fortunately in a part of the shoulder which will not affect his pitching strength if given a complete rest and recovery. It was the left shoulder, from which side Smith pitches. The accident makes the third one for the month of June sustained by the Brantford club in London, and all of them have been serious and have cost games. Harry Waver, an inhelder, from Wheeling, West Va. all of them have been serious and have cost games. Harry Waver, an inficiler, from Wheeling, West Va., reported here on the 2 a. m. train to-day, and was sent to London. Courtney, the Randolph man, is expected on every train. He will be in the game to-morrow against Guelph, and in the double header on Saturday. Duffy is also expected back again to-morrow.

COBB IS KING. Chicago, Ill., June 28.-

There is no king like Tyrus the Great. Mr. Cobb, of Georgia, is
