Five Hundred Reported Killed When Turkish Troops Recapture Derna - Message Sent to Ambassador

WASHINGTON, Nov. 6 .- Confirmation of the news of the recapture of Derna, in Tripoli, by the Turkish troops, was contained in a despatch received here tonight by the Turkish embassy from the minister of foreign

affairs at Constantinople. The telegram states that the Ottoman troops were reinforced by the Sinousis, killing 500 Italians and taking a considerable quantity of arms and ammunition. The loss to the Turks, says the despatch, was 80 dead and as many wounded.

Mission of Cruiser NEW YORK Nov. 6 .- The mission of the scout cruiser Chester to Tripoli was declared at the state department late today to be for the purpose of looking into the "cholera" there but from sources other than the state department was said the vessel was proceeding there "for the protection of foreign

interests." As the cholera situation at Malta was reported several days ago to be quite serious, no reason for the sailing of the vessel to another cholera-infected port could be set forth, further than that she has an important mission, such as the protection of foreign interests, or that it is for the purpose of getting first hand information concerning the alleged Italian barbarites in Tripoli.
