Hamilton plays a prectice game Good Friday against a local picked nine and on Saturday plays the Guelphs, not Sleeman's allegations.

In the Felcher-Bond schedule book amendments should be made to the effect that on May 18 Buffalo plays at Hamilton, and on Aug. 11 the game between Buffalo and Hamilton is cancelled; on Aug. 9 Buffalo at Toronto only one game will be played.

Chamberlain, the Clippers' pitcher of last

cancelled; on Aug. 9 Burnato at Toronto only one game will be played.

Chamberlain, the Clippers' pitcher of last year, has been signed by Macon, Ga,
Alderman Smith, of last year's Torontos, has signed with Memphis.

Jerry Moore, the Hamilton catcher, is on the sick list and some doubts are entertained as to his playing this season. This will be bad news for handsome Jerry's many admirers.

McKinley is doing good work with the Portlands, but is evidently in danger of being used up. At Hartford, Conn., enly three hits were made off him, but he was badly backed up and his team was beaten by 2 to 0. Spence's team is manifesting last year's failure of the Torontos—inability to successfully run bases.

C. D. White, Secretary of the International League, is getting out an official League Guide book.

Toronto is in want of a Mascot. He must be black, between 12 and 16 years of age, and must apply to Manager Humphries between 12 and 10 clock at the Albion Hotel.

Jim Smith's backers have sont a definite and direct reply to J. L. Sullivan's original offer to fight in America or Ireland, offering to fight in a 24-foot ring under London Prize Ring rules for five or ten thousand dollars a side, allowing Sullivan \$500 for expenses to visit Ireland, and declaring thatif Sullivan does not accept in six weeks they will claim the championship of the world. It is a curious fact that all the handleaps at Leicester of the value of 2000 sova, have been won by noblemen. In 1884 the Leicestershire Cup, run at the Summer Meeting, was taken by Lord Zetland's Prism; in 1885, the Spring Handleap fell to the share of Lord Bradford's Whitelock, and the Leicestershire Cup, in July, to Lord Hartington's Corunn; while on April 3 the Duke of Portland secured the Spring Handleap with his three-year-old Arcadian.

The Jewish services in commemoration of the Passover were commenced yesterday, it the Synagogue on Richmond street, Rabh Phillips preached a short sermon in English reminding those present of how God had de livered their race from the power of the Egyptians. The balance of the service was conducted in Hebrew. There is an efficient choir of about 15 female voices, and the singlish in Hebrew was impressive. The choise would compare favorably with those of the city churches. The male members of the congregation sit downstairs, while the ladies occupy the gallery. The men do not take off their hats in the Synagogue. This custom is in remembrance of the time when the Jews worshipped in the open air. The festival lasts for eight days. No work is to be done on the first two and last two days.
