HAMILTON, June 16.—Hamilton hitters did great execution with their sticks in the game with Toronto this afternoon. The Torontos' errors were numerous and costly and helped Hamilton to many a run. The whole Toronto team seemed to be afraid of the Hamiltons and when the latter began to make runs the Toronto fielders got rattled, fumbling easy balls and throwing wretchedly. The only To-ronto player who did real good work was Rickley. Their batting was very weak for Won't Forsake Toronto. EN DAG A general conversation ensued on the sub-ject of arranging for still more of the Confer-Rickley. Their batting was very weak for the first seven innings, gotting only six scat-tered singles. In the eighth and ninch how-over they hit more freely, making four singles in the last innings. Rickley gave the Torontos their one run in the third innning.
